

Intelsat's Chief Executive Officer to Participate in J.P. Morgan's Global Technology, Media & Telecom Conference

May 23, 2016

LUXEMBOURG--(BUSINESS WIRE)--May 23, 2016-- Intelsat S.A. (NYSE: I), operator of the world's first Globalized Network, powered by its leading satellite backbone, announced today that Stephen Spengler, Chief Executive Officer, will participate in J.P. Morgan's Global Technology, Media and Telecom Conference in Boston, MA on Tuesday, May 24, 2016. Mr. Spengler's presentation is expected to begin at 4:20 p.m. EDT.

A live webcast of the presentation will be accessible on Intelsat's Investor Relations page, located at <http://investors.intelsat.com>. An archived replay of the webcast will also be available on the website for 7 days.

About Intelsat

Intelsat S.A. (NYSE: I) operates the world's first Globalized Network, delivering high-quality, cost-effective video and broadband services anywhere in the world. Intelsat's Globalized Network combines the world's largest satellite backbone with terrestrial infrastructure, managed services and an open, interoperable architecture to enable customers to drive revenue and reach through a new generation of network services. Thousands of organizations serving billions of people worldwide rely on Intelsat to provide ubiquitous broadband connectivity, multi-format video broadcasting, secure satellite communications and seamless mobility services. The end result is an entirely new world, one that allows us to envision the impossible, connect without boundaries and transform the ways in which we live.
