**Item 1.01. Entry into a Material Definitive Agreement.**

**Indenture and Registration Rights Agreement**

On October 3, 2012, Intelsat Jackson Holdings S.A. (“Intelsat Jackson”) issued \$640,000,000 aggregate principal amount of 6 <sup>5</sup>/<sub>8</sub>% Senior Notes due 2022 (the “6 <sup>5</sup>/<sub>8</sub>% Notes”). The 6 <sup>5</sup>/<sub>8</sub>% Notes were issued pursuant to an indenture, dated as of October 3, 2012 (the “Indenture”), among Intelsat Jackson, Intelsat S.A. and Intelsat (Luxembourg) S.A., as parent guarantors, and Wells Fargo Bank, National Association, as trustee. The net proceeds from the 6 <sup>5</sup>/<sub>8</sub>% Notes will be used by Intelsat Jackson to purchase any and all of its \$603,220,000 outstanding 11 <sup>1</sup>/<sub>4</sub>% Senior Notes due 2016 (the “11 <sup>1</sup>/<sub>4</sub>% Notes”) that are validly tendered in connection with Intelsat Jackson’s tender offer and consent solicitation announced on September 19, 2012 (the “Tender Offer”). Proceeds from the sale of the 6 <sup>5</sup>/<sub>8</sub>% Notes may also be used to redeem or repurchase notes not purchased in the Tender Offer, to pay related fees and expenses and for general corporate purposes. The Indenture pursuant to which the 6 <sup>5</sup>/<sub>8</sub>% Notes were issued is attached hereto as Exhibit 4.1 and incorporated herein by reference.

The Indenture contains covenants which include, among other things: a limitation on Intelsat Jackson’s and some of its subsidiaries’ ability to incur or guarantee additional debt or issue disqualified or preferred stock; a limitation on Intelsat Jackson’s and some of its subsidiaries’ ability to pay dividends, make other equity distributions or repurchase or redeem capital stock; a limitation on Intelsat Jackson’s and some of its subsidiaries’ ability to make certain investments; a limitation on Intelsat Jackson’s and some of its subsidiaries’ ability to enter into transactions with affiliates; a limitation on merger, consolidation, amalgamation and sale of assets applicable to Intelsat Jackson and future subsidiary guarantors, if any; and a limitation on Intelsat Jackson’s and some of its subsidiaries’ ability to incur liens on any of Intelsat Jackson’s assets securing other indebtedness.

The Indenture also contains events of default with respect to: default in payments of interest after a 30-day grace period or a default in the payment of principal when due; subject to a certain exception, default in the performance of any covenant in the Indenture that continues for more than 60 days after notice of default has been provided to Intelsat Jackson; failure to make any payment when due, including applicable grace periods, under any indebtedness for money borrowed by Intelsat S.A., Intelsat Jackson or a significant subsidiary thereof having a principal amount in excess of \$75.0 million; the acceleration of the maturity of any indebtedness for money borrowed by Intelsat S.A., Intelsat Jackson or a significant subsidiary thereof having a principal amount in excess of \$75.0 million; failure by Intelsat S.A., Intelsat Jackson or a significant subsidiary to pay final judgments aggregating in excess of \$75.0 million, which judgments are not discharged, waived or stayed for 60 days; and certain events of bankruptcy, insolvency or reorganization of Intelsat S.A., Intelsat Jackson or a significant subsidiary.

The 6 <sup>5</sup>/<sub>8</sub>% Notes are redeemable on the dates, at the redemption prices and in the manner specified in the Indenture.

Pursuant to a registration rights agreement, dated as of October 3, 2012 (the “Registration Rights Agreement”), Intelsat Jackson, Intelsat S.A. and Intelsat (Luxembourg) S.A., as parent guarantors, agreed with Morgan Stanley & Co. LLC, as representative of the initial purchasers in the offering of the 6 <sup>5</sup>/<sub>8</sub>% Notes described above (the “Initial Purchasers”), in the limited circumstances described therein to make an offer to exchange the 6 <sup>5</sup>/<sub>8</sub>% Notes for registered, publicly tradable notes that have substantially identical terms to the 6 <sup>5</sup>/<sub>8</sub>% Notes. The Registration Rights Agreement is attached hereto as Exhibit 4.2 and incorporated herein by reference.

Certain of the Initial Purchasers and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory, investment banking and commercial banking services for Intelsat Jackson and its affiliates, for which they received or will receive customary fees and expenses. Affiliates of one or more of the Initial Purchasers are lenders and/or agents under the credit facilities maintained by Intelsat Jackson and/or its affiliates.

## **Supplemental Indenture**

On October 3, 2012, Intelsat S.A. announced that Intelsat Jackson had received the requisite consents to amend certain terms of the indenture governing the 11 1/4% Notes. Intelsat Jackson has been advised by Global Bondholder Services Corporation, as Depositary for the Tender Offer, that as of 12:00 midnight, New York City time, on October 2, 2012, 11 1/4% Notes were validly tendered and not withdrawn, and consents were delivered and not revoked, in respect of \$442,302,000 in aggregate principal amount, or approximately 73.32%, of the outstanding \$603,220,000 aggregate principal amount of 11 1/4% Notes. As a result, Intelsat Jackson and Wells Fargo Bank, National Association, the trustee under the indenture governing the 11 1/4% Notes, have entered into a supplemental indenture implementing the amendments to the 11 1/4% Notes and the related indenture governing the 11 1/4% Notes. The amendments, among other things, amend the indenture governing the 11 1/4% Notes to eliminate substantially all of the restrictive covenants, certain events of default and certain other provisions contained in the indenture.

The foregoing description of the supplemental indenture is not complete and is qualified in its entirety by reference to the supplemental indenture, which is attached hereto as Exhibit 4.3 and incorporated herein by reference.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

## **Amendment to Intelsat Jackson's Senior Secured Credit Agreement**

On October 3, 2012, Intelsat Jackson entered into an Amendment and Joinder Agreement (the "Amendment"), by and among Intelsat Jackson, Intelsat (Luxembourg) S.A. ("Intelsat Luxembourg"), certain subsidiaries of Intelsat Jackson, as Subsidiary Guarantors, the lenders party thereto and Bank of America, N.A., as Administrative Agent (the "Agent"). The Amendment amends the Credit Agreement, dated as of January 12, 2011, among Intelsat Jackson, as Borrower, Intelsat Luxembourg, the financial institutions from time to time party thereto, the Agent and the other parties thereto (the "Senior Secured Credit Agreement"), which governs Intelsat Jackson's \$3.75 billion senior secured term loan and revolving credit facilities.

Among other things, the Amendment reduced the interest rates applicable to borrowings under the term loan facility and the revolving credit facility, with respect to the term loan facility by replacing the existing term loans with a new tranche of term loans. As a result of the Amendment, interest rates for borrowings under the term loan facility and the revolving credit facility will range from (i) the LIBOR rate plus 3.00% to the LIBOR rate plus 3.25%, a reduction from the range prior to the Amendment of the LIBOR rate plus 3.50% to the LIBOR rate plus 3.75%, or (ii) the ABR plus 2.00% to the ABR plus 2.25%, a reduction from the range prior to the Amendment of the ABR plus 2.5% to the ABR plus 2.75%. The interest rate step-downs are now tied to the corporate family rating of the Borrower from Moody's Investors Service, Inc. Prior to the Amendment, they were dependent on the Borrower's total leverage ratio. The LIBOR rate and the ABR, plus the applicable margins, will be determined as specified in the Senior Secured Credit Agreement, as amended by the Amendment, and the LIBOR rate will not be less than 1.25% per annum, a reduction from the floor of 1.50% prior to the Amendment.

In connection with the Amendment, Intelsat Jackson, Intelsat Luxembourg and certain subsidiaries of Intelsat Jackson ratified and reaffirmed the security and guarantees under the Senior Secured Credit Agreement and the Guarantee, dated as of January 12, 2011, among such subsidiaries and the Agent.

The foregoing description of the Amendment and the Senior Secured Credit Agreement is not complete and is qualified in its entirety by reference to the Amendment, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference, and the Senior Secured Credit Agreement, a copy of which was attached as Exhibit 10.1 to Intelsat S.A.'s Current Report on Form 8-K filed on January 19, 2011 and is incorporated herein by reference.

**Item 8.01. Other Events.**

**Preliminary Results of Tender Offer**

On October 3, 2012, Intelsat S.A. announced that, in connection with the Tender Offer, Intelsat Jackson has been advised by Global Bondholder Services Corporation, as Depositary for the Tender Offer, that as of 12:00 midnight, New York City time, on Tuesday, October 2, 2012 (the “Withdrawal Deadline”), Intelsat Jackson had received tenders of \$442,302,000 aggregate principal amount of the 11 1/4% Notes pursuant to the Tender Offer.

Including accrued and unpaid interest, Intelsat Jackson has paid \$476,912,131.50 in total consideration with respect to the 11 1/4% Notes tendered prior to the Withdrawal Deadline.

The Tender Offer is scheduled to expire at 12:00 midnight, New York City time, on Wednesday, October 17, 2012, unless extended or earlier terminated by Intelsat Jackson.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

**Issuance of Redemption Notice**

On October 3, 2012, Intelsat Jackson issued a notice of redemption pursuant to the indenture governing the 11 1/4% Notes stating that it intends to redeem all of the remaining outstanding 11 1/4% Notes on November 2, 2012 at a redemption price equal to 103.75% of the principal amount of the 11 1/4% Notes, plus accrued and unpaid interest thereon to the redemption date.

“Cumulative Interest Expense” means, in respect of any Restricted Payment, the sum of the aggregate amount of Consolidated Interest Expense of the Issuer and the Restricted Subsidiaries for the period from and after January 1, 2005 to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available and immediately preceding the proposed Restricted Payment.

“Debt to Adjusted EBITDA Ratio” means, with respect to any Person for any period, the ratio of (i) Consolidated Total Indebtedness as of the date of calculation (the “Calculation Date”) to (ii) Adjusted EBITDA of such Person for the four consecutive fiscal quarters immediately preceding such Calculation Date. In the event that such Person or any of its Restricted Subsidiaries Incurs or redeems any Indebtedness (other than in the case of revolving credit borrowings, in which case interest expense shall be computed based upon the average daily balance of such Indebtedness during the applicable period) or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Debt to Adjusted EBITDA Ratio is being calculated but prior to the Calculation Date, then the Debt to Adjusted EBITDA Ratio shall be calculated giving pro forma effect to such Incurrence or redemption of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and other operational changes that such Person or any of its Restricted Subsidiaries has both determined to make and made after January 28, 2005 and during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Calculation Date shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes (and the change of any associated fixed charge obligations and the change in Adjusted EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into such Person or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Debt to Adjusted EBITDA Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any transaction, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate. Any such pro forma calculation may include adjustments appropriate, in the reasonable determination of the Issuer as set forth in an Officers' Certificate, to reflect, among other things, (1) operating expense reductions and other operating improvements or synergies reasonably expected to result from any acquisition, amalgamation, merger or operational change (including, without limitation, from the Transactions) and (2) all adjustments used in connection with the "adjusted EBITDA" calculations set forth in (i) footnote 4 to the "Summary Historical and Pro Forma Consolidated Financial Data" section of the offering memorandum dated June 19, 2006 in connection with the offering of certain Jackson Notes, (ii) Intelsat S.A.'s Annual Report on Form 10-K for each of

the three years ended December 31, 2011 and (iii) Intelsat S.A.'s Quarterly Report on Form 10-Q for the quarter ended June 30, 2012, in each case, to the extent such adjustments, without duplication, continue to be applicable to such four-quarter period.

(2) is convertible or exchangeable for Indebtedness or Disqualified Stock, or

(3) is redeemable at the option of the holder thereof, in whole or in part, in each case prior to 91 days after the maturity date of the Notes;

provided, however, that only the portion of Capital Stock which so matures or is mandatorily redeemable, is so convertible or exchangeable or is so redeemable at the option of the holder thereof prior to such date shall be deemed to be Disqualified Stock; provided, further, however, that if such Capital Stock is issued to any employee or to any plan for the benefit of employees of the Issuer or its Subsidiaries or by any such plan to such employees, such Capital Stock shall not constitute Disqualified Stock solely because it may be required to be repurchased by the

Issuer in order to satisfy applicable statutory or regulatory obligations or as a result of such employee's termination, death or disability; provided, further, that any class of Capital Stock of such Person that by its terms authorizes such Person to satisfy its obligations thereunder by delivery of Capital Stock that is not Disqualified Stock shall not be deemed to be Disqualified Stock.

## ARTICLE 2

### THE SECURITIES

SECTION 2.01. Amount of Notes; Issuable in Series. The aggregate principal amount of Original Notes which may be authenticated and delivered under this Indenture on the Issue Date is \$640,000,000. The Notes may be issued in one or more series. All Notes of any one series shall be substantially identical except as to denomination.

The Issuer may from time to time after the Issue Date issue Additional Notes under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Notes is at such time permitted by Section 4.03 and (ii) such Additional Notes are issued in compliance with the other applicable provisions of this Indenture. With respect to any Additional Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.07, 2.08, 2.09, 2.10, 3.06, 4.06(g), 4.08(c) or the Appendix), there shall be (a) established in or pursuant to a resolution of the Board of Directors and (b) (i) set forth or determined in the manner provided in an Officers’ Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Notes:

(1) whether such Additional Notes shall be issued as part of a new or existing series of Notes and the title of such Additional Notes (which shall distinguish the Additional Notes of the series from Notes of any other series);

(2) the aggregate principal amount of such Additional Notes which may be authenticated and delivered under this Indenture,

(3) the issue price and issuance date of such Additional Notes, including the date from which interest on such Additional Notes shall accrue;

(4) if applicable, that such Additional Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositories for such Global Notes, the form of any legend or legends which shall be borne by such Global Notes in addition to or in lieu of those set forth in **Exhibit A** hereto and any circumstances in addition to or in lieu of those set forth in Section 2.2 of the Appendix in which any such Global Note may be exchanged in whole or in part for Additional Notes registered, or any transfer of such Global Note in whole or in part may be registered, in the name or names of Persons other than the depository for such Global Note or a nominee thereof; and

(5) if applicable, that such Additional Notes that are not Transfer Restricted Notes shall not be issued in the form of Initial Notes as set forth in **Exhibit A**, but shall be issued in the form of Exchange Notes as set forth in **Exhibit B**.

If any of the terms of any Additional Notes are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or Director or any Assistant Secretary or Assistant Director of the Issuer and delivered to the Trustee at or prior to the delivery of the Officers' Certificate or the indenture supplemental hereto setting forth the terms of the Additional Notes.

**SECTION 2.02. Form and Dating.** Provisions relating to the Initial Notes and the Exchange Notes are set forth in the Appendix, which is hereby incorporated in and expressly made a part of this Indenture. The Original Notes, Initial Notes, any Additional Notes (if issued as Transfer Restricted Notes) and the Trustee's certificate of authentication for each shall each be substantially in the form of **Exhibit A** hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Exchange Notes, any Additional Notes issued other than as Transfer Restricted Notes and the Trustee's certificate of authentication for each shall each be substantially in the form of **Exhibit B** hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer or any Guarantor is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be issuable only in registered form without interest coupons and only in minimum denominations of \$2,000 and any integral multiple of \$1,000.

**SECTION 2.03. Execution and Authentication.** The Trustee shall authenticate and make available for delivery upon a written order of the Issuer signed by one Officer (a) Original Notes for original issue on the date hereof in an aggregate principal amount of \$640,000,000, (b) subject to the terms of this Indenture, Additional Notes in an aggregate principal amount to be determined at the time of issuance and specified therein, (c) Exchange Notes for issue in a Registered Exchange Offer pursuant to the Registration Rights Agreement for a like principal amount of Initial Notes exchanged pursuant thereto or otherwise pursuant to an effective registration statement under the Securities Act and (d) Exchange Notes without the Restricted Notes Legend, as permitted by the Securities Act, in exchange for a like principal amount of Initial Notes. Such order shall specify the amount of the Notes to be authenticated,

the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes or Exchange Notes. Notwithstanding anything to the contrary in this Indenture or the Appendix, any issuance of Additional Notes after the Issue Date shall be in a minimum principal amount of \$2,000 and any integral multiple of \$1,000, whether such Additional Notes are of the same or a different series than the Original Notes.

One Officer shall sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuer to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee is hereby authorized to enter into a letter of representations with the Depository in the form provided by the Issuer and to act in accordance with such letter.

#### SECTION 2.04. Registrar and Paying Agent.

(a) The Issuer shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar") and (ii) an office or agency where Notes may be presented for payment (the "Paying Agent"), which, for as long as required by any national securities exchange (whether or not the Issuer has any securities listed on such exchange), shall be in the Borough of Manhattan, the City of New York, the State of New York. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrars. The term "Paying Agent" includes the Paying Agent and any additional paying agents. The Issuer initially appoints the Trustee as (i) Registrar and Paying Agent in connection with the Notes and (ii) the Securities Custodian with respect to the Global Notes.

(b) The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the TIA. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any of its Wholly-Owned Subsidiaries organized in the United States may act as Registrar or Paying Agent.

(c) The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee; provided, however, that the Trustee may resign as Registrar or Paying Agent only if the Trustee also resigns as Trustee in accordance with Section 7.08.

SECTION 2.05. Paying Agent to Hold Money in Trust. Prior to 11:00 a.m., New York City time, on each due date of the principal of and interest on any Note, the Issuer shall deposit with the Paying Agent (or if the Issuer or a Wholly-Owned Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require the Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by a Paying Agent for the payment of principal of and interest on the Notes, and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Wholly-Owned Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07. Transfer and Exchange. The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with the Appendix. When a Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Notes at the

Registrar's request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.07. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of Notes selected for redemption (except, in the case of Notes to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before a selection of Notes to be redeemed.

Prior to the due presentation for registration of transfer of any Note, the Issuer, the Guarantors, the Trustee, each Paying Agent and the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuer, any Guarantor, the Trustee, a Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (a) the Holder of such Global Note (or its agent) or (b) any Holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

SECTION 2.08. Replacement Notes. If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) satisfies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee to protect the Issuer, the Trustee, a Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note (including, without limitation, attorneys' fees and disbursements in replacing such Note). In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuer.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.09. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.09 as not outstanding. Subject to Section 11.06, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes and make them available for delivery in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures. The Issuer may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, the Issuer shall pay the defaulted interest then borne by the Notes (plus interest on such defaulted interest to the extent lawful), in any lawful manner. The Issuer may

pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or cause to be mailed to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.13. CUSIP Numbers, ISINs, Etc. The Issuer in issuing the Notes may use CUSIP numbers, ISINs and “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Notes or as contained in any notice of a redemption, that reliance may be placed only on the other identification numbers printed on the Notes and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall advise the Trustee in writing of any change in the CUSIP numbers, ISINs and “Common Code” numbers.

SECTION 2.14. Calculation of Principal Amount of Notes. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 11.06 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers’ Certificate.

### ARTICLE 3

#### REDEMPTION

SECTION 3.01. Redemption. The Notes may be redeemed, at any time in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Notes set forth in **Exhibit A** and **Exhibit B** hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest and additional interest, if any, to the redemption date.

SECTION 3.02. Applicability of Article. Redemption of Notes at the election of the Issuer or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 3.03. Notices to Trustee. If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Paragraph 5 of the applicable Note, it shall notify the Trustee in writing of (i) the Section of this Indenture pursuant to which the redemption

shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price. The Issuer shall give notice to the Trustee provided for in this paragraph at least 45 days (unless a shorter period is acceptable to the Trustee) but not more than 60 days before a redemption date if the redemption is pursuant to Paragraph 5 of the applicable Note, unless a shorter period is acceptable to the Trustee. Such notice shall be accompanied by an Officers' Certificate and Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein. The record date relating to any redemption shall be selected by the Issuer and given to the Trustee, which record date shall be not fewer than 15 days after the date of notice to the Trustee. Any such notice may be canceled at any time prior to notice of such redemption being mailed to any Holder and shall thereby be void and of no effect.

**SECTION 3.04. Selection of Notes to Be Redeemed.** In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed, or if such Notes are not so listed, on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); provided that no Notes of \$2,000 or less shall be redeemed in part. The Trustee shall make the selection from outstanding Notes not previously called for redemption. The Trustee may select for redemption portions of the principal of Notes that have denominations larger than \$2,000. Notes and portions of them the Trustee selects shall be in amounts of \$2,000 or a whole multiple of \$1,000 in excess thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed.

**SECTION 3.05. Notice of Optional Redemption.**

(a) At least 30 days but not more than 60 days before a redemption date pursuant to Paragraph 5 of the applicable Note, the Issuer shall mail or cause to be mailed by first-class mail a notice of redemption to each Holder whose Notes are to be redeemed.

Any such notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to the redemption date;
- (iii) the name and address of a Paying Agent;
- (iv) that Notes called for redemption must be surrendered to a Paying Agent to collect the redemption price, plus accrued interest;
- (v) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed, the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;

(vi) that, unless the Issuer defaults in making such redemption payment or any Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Notes being redeemed;

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Notes; and

(ix) the record date.

(b) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the information required by this Section, at least 45 days (unless a shorter period is acceptable to the Trustee) prior to the proposed redemption date.

(c) Notice of any redemption may be given prior to the completion thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, in the case of any Equity Offering, completion of an Equity Offering.

SECTION 3.06. Effect of Notice of Redemption. Once notice of redemption is mailed in accordance with Section 3.05, Notes called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to any Paying Agent, such Notes shall be paid at the redemption price stated in the notice, plus accrued interest to the redemption date; provided, however, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.07. Deposit of Redemption Price. Prior to 10:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Wholly-Owned Subsidiary is a Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest and additional interest, if any, on the Notes to be redeemed, unless a Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.08. Notes Redeemed in Part. Upon cancellation of a Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Note equal in principal amount to the unredeemed portion of the Note cancelled.

SECTION 3.09. Redemption for Taxation Reasons.

(a) The Issuer may, at its option, redeem the Notes in whole if at any time it becomes obligated to pay additional amounts on any Notes on the next interest payment date with respect to such Notes, but only if its obligation results from a change in, or an amendment to, the laws or treaties (including any regulations or rulings promulgated thereunder) of a Relevant Tax Jurisdiction (or a political subdivision or taxing authority thereof or therein), or from a change in any official position regarding the interpretation, administration or application of those laws, treaties, regulations or rulings (including a change resulting from a holding, judgment or order by a court of competent jurisdiction), that becomes effective or is announced after the Issue Date (or, if the Relevant Tax Jurisdiction became a Relevant Tax Jurisdiction on a later date, after such later date) and provided the Issuer cannot avoid the obligation after taking reasonable measures to do so. If the Issuer redeems the Notes in these circumstances, it shall do so at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and additional interest, if any, and any other amounts due to the redemption date.

(b) If the Issuer becomes entitled to redeem the Notes pursuant to Section 3.09(a), it may do so at any time on a redemption date of its choice. However, the Issuer must give the Holders of the Notes being redeemed notice of the redemption not less than 30 days or more than 60 days before the redemption date and not more than 90 days before the next date on which it would be obligated to pay additional amounts.

(c) The Issuer's obligation to pay additional amounts shall remain in effect when it gives the notice of redemption. Notice of the Issuer's intent to redeem the Notes shall not be effective until such time as it delivers to the Trustee both a certificate signed by two of its Officers stating that the obligation to pay additional amounts cannot be avoided by taking reasonable measures and an opinion of independent legal counsel or an independent auditor of recognized international standing stating that the Issuer is obligated to pay additional amounts because of an amendment to or change in law, treaties or position as described in Section 3.09(a) hereof.

## ARTICLE 4

### COVENANTS

SECTION 4.01. Payment of Notes. The Issuer shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. An installment of principal of or interest on the Notes shall be considered paid on the date due if on such date the Trustee or any Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or any Paying Agent, as the case may be, are not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate borne by the Notes to the extent lawful.

#### SECTION 4.02. Reports and Other Information.

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer shall file with the SEC (unless the SEC will not accept such a filing), and provide the Trustee and Holders with copies thereof, without cost to each Holder, within 15 days after it files or, in the case of a Form 6-K, furnishes (or attempts to file or furnish) them with the SEC,

(i) within 90 days after the end of each fiscal year (or such longer period as may be permitted by the SEC if the Issuer were then subject to such SEC reporting requirements as a required filer, voluntary filer or otherwise), an annual report (which, if permitted under applicable rules of the SEC, may be the annual report of Holdings or another Parent of the Issuer) on Form 10-K or 20-F (or any successor or comparable forms) containing the information required to be contained therein (or required in such successor or comparable form) and

(ii) within 45 days after the end of each of the first three fiscal quarters of each fiscal year (or such longer period as may be permitted by the SEC if the Issuer were then subject to such SEC reporting requirements as a required filer, voluntary filer or otherwise), a quarterly report (which, if permitted under applicable rules of the SEC, may be the quarterly report of Holdings or another Parent of the Issuer) on Form 10-Q or 6-K (or any successor or comparable forms), including a Management's Discussion and Analysis of Financial Condition and Results of Operations or substantially similar section (whether or not required by such form).

(b) The Issuer shall make the information required by Section 4.02(a) available to prospective investors upon request. In addition, the Issuer shall, for so long as any Notes remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) Notwithstanding the foregoing Sections 4.02(a) and (b), the Issuer will be deemed to have furnished the reports required by Sections 4.02(a) and (b) to the Trustee and the Holders if it or Holdings or another Parent of the Issuer has filed (or, in the case of a Form 6-K, furnished) such reports with the SEC via the EDGAR filing system and such reports are publicly available.

(d) In the event that any Parent of the Issuer is or becomes a Guarantor or co-obligor of the Notes, the Issuer may satisfy its obligations under this Section 4.02 with respect to financial information relating to the Issuer by furnishing financial information relating to such Parent; provided that, if required by Regulation S-X under the Securities Act, the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent and any of its Subsidiaries other than the Issuer and its Subsidiaries, on the one hand, and the information relating to the Issuer, the Subsidiary Guarantors, if any, and the other Subsidiaries of the Issuer on a stand-alone basis, on the other hand.

(e) In the event that the Issuer changes its fiscal year end from the fiscal year end used by the Issuer as of the Issue Date, the Issuer shall promptly give notice of such change to the Trustee.

#### SECTION 4.03. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) (i) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Issuer shall not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; provided, however, that the Issuer and any Restricted Subsidiary of the Issuer may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Debt to Adjusted EBITDA Ratio of the Issuer for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would be less than or equal to 6.75 to 1.00 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) The limitations set forth in Section 4.03(a) shall not apply to (collectively, “Permitted Debt”):

(i) the Incurrence by the Issuer or its Restricted Subsidiaries of Indebtedness under the Credit Agreement and the issuance and creation of letters of credit and bankers’ acceptances thereunder (with letters of credit and bankers’ acceptances being deemed to have a principal amount equal to the face amount thereof) up to an aggregate principal amount of \$4.0 billion outstanding at any one time;

(ii) the Incurrence by the Issuer and its Restricted Subsidiaries of Indebtedness represented by the Notes (not including any Additional Notes) and the Guarantees, as applicable (and any Exchange Notes and Guarantees thereof);

(iii) Indebtedness of the Issuer and its Restricted Subsidiaries existing on the Issue Date, including any Indebtedness Incurred on the Issue Date (other than Indebtedness described in clauses (i) and (ii) of this Section 4.03(b));

(iv) Indebtedness (including Capitalized Lease Obligations) Incurred by the Issuer or any of its Restricted Subsidiaries, Disqualified Stock issued by the Issuer or any of its Restricted Subsidiaries and Preferred Stock issued by any Restricted Subsidiaries of the Issuer to finance (whether prior to or within 270 days after) the purchase, lease, construction or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets) in an aggregate principal amount which, when aggregated with the principal amount of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding that was Incurred pursuant to this clause (iv), does not exceed the greater of (x) \$450.0 million and (y) 4% of Total Assets of the Issuer at the time of Incurrence;

(v) Indebtedness Incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit and bank guarantees issued in the ordinary course of business, including, without limitation, letters of credit in respect of workers’ compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, or other Indebtedness with respect to reimbursement type obligations regarding workers’ compensation claims;

(vi) Indebtedness arising from agreements of the Issuer or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, Incurred in connection with the Transactions or the disposition of any business, assets or a Subsidiary of the Issuer in accordance with the terms of this Indenture, other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition;

(vii) Indebtedness of the Issuer to a Restricted Subsidiary; provided that any such Indebtedness is subordinated in right of payment to the obligations of the Issuer under the Notes; provided, further, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(viii) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; provided that any subsequent issuance or transfer of any Capital Stock or any other event that results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock;

(ix) Indebtedness of a Restricted Subsidiary to the Issuer or another Restricted Subsidiary; provided that if a Guarantor incurs such Indebtedness, and such Indebtedness is owed to a Restricted Subsidiary that is not a Guarantor, such Indebtedness is subordinated in right of payment to the Guarantee of such Guarantor; provided, further, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary holding such Indebtedness ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(x) Hedging Obligations (other than for speculative purposes): (1) for the purpose of fixing or hedging interest rate risk with respect to any Indebtedness that is permitted by the terms of this Indenture to be outstanding; or (2) for the purpose of fixing or hedging currency exchange rate risk with respect to any currency exchanges;

(xi) obligations (including reimbursement obligations with respect to letters of credit and bank guarantees) in respect of performance, bid, appeal and surety bonds and completion guarantees provided by the Issuer or any Restricted Subsidiary in the ordinary course of business;

(xii) Indebtedness or Disqualified Stock of the Issuer or any Restricted Subsidiary of the Issuer and Preferred Stock of any Restricted Subsidiary of the Issuer not otherwise permitted hereunder in an aggregate principal amount which, when aggregated with the principal amount or liquidation preference of all other Indebtedness and Disqualified Stock then outstanding and Incurred pursuant to this clause (xii), does not exceed the greater of (x) \$450.0 million and (y) 4% of Total Assets of the Issuer at any one time outstanding (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock Incurred or issued under this clause (xii) shall cease to be deemed Incurred or outstanding for purposes of this clause (xii) but shall be deemed Incurred for

purposes of Section 4.03(a) from and after the first date on which the Issuer or the Restricted Subsidiary, as the case may be, could have Incurred or issued such Indebtedness, Disqualified Stock or Preferred Stock under Section 4.03(a) without reliance upon this clause (xii));

(xiii) any guarantee by the Issuer or a Restricted Subsidiary of Indebtedness or other Obligations of the Issuer or any of its Restricted Subsidiaries so long as the Incurrence of such Indebtedness or other Obligations by the Issuer or such Restricted Subsidiary is permitted under the terms of this Indenture; provided that if such Indebtedness is by its express terms subordinated in right of payment to the Notes or the Guarantee of such Restricted Subsidiary, as applicable, any such guarantee of such guarantor with respect to such Indebtedness shall be subordinated in right of payment to the Notes or such Guarantor's Guarantee, as applicable, substantially to the same extent as such Indebtedness is subordinated to the Notes or the Guarantee of such Restricted Subsidiary, as applicable;

(xiv) the Incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary of the Issuer which serves to refund or refinance or defease any Indebtedness Incurred or Disqualified Stock or Preferred Stock as permitted under Section 4.03(a) and clauses (ii), (iii), (iv), (xiv), (xv), (xix) and (xx) of this Section 4.03(b) or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, including any Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums and fees in connection therewith (subject to the following proviso, "Refinancing Indebtedness") prior to its respective maturity; provided, however, that such Refinancing Indebtedness:

(1) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred which is not less than the shorter of (x) the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced and (y) the Weighted Average Life to Maturity that would result if all payments of principal on the Indebtedness, Disqualified Stock and Preferred Stock being refunded or refinanced that was due on or after the date one year following the last maturity date of any Notes then outstanding were instead due on such date one year following the last date of maturity of any Notes then outstanding;

(2) to the extent such Refinancing Indebtedness refinances (a) Indebtedness junior to the Notes, such Refinancing Indebtedness is junior to the Notes or (b) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness is Disqualified Stock or Preferred Stock;

(3) is Incurred in an aggregate principal amount (or if issued with original issue discount, an aggregate issue price) that is equal to or less than the aggregate principal amount (or if issued with original issue discount, the aggregate accreted value) then outstanding of the Indebtedness being refinanced plus premium and fees Incurred in connection with such refinancing;

(4) shall not include (x) Indebtedness of a Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor that refinances Indebtedness of the Issuer or a Restricted Subsidiary that is a Subsidiary Guarantor; or (y) Indebtedness of the Issuer or a Restricted Subsidiary that refinances Indebtedness of an Unrestricted Subsidiary; and

(5) in the case of any Refinancing Indebtedness Incurred to refinance Indebtedness outstanding under clause (iv) or (xx) of this Section 4.03(b), shall be deemed to have been Incurred and to be outstanding under such clause (iv) or (xx) of this Section 4.03(b), as applicable, and not this clause (xiv) for purposes of determining amounts outstanding under such clauses (iv) and (xx) of this Section 4.03(b)

and provided, further, that subclause (1) of this clause (xiv) shall not apply to any refunding, refinancing or defeasance of (A) the Notes or (B) any Secured Indebtedness;

(xv) Indebtedness, Disqualified Stock or Preferred Stock of Persons that are acquired by the Issuer or any of its Restricted Subsidiaries or merged or amalgamated into the Issuer or a Restricted Subsidiary in accordance with the terms of this Indenture; provided, however, that such Indebtedness, Disqualified Stock or Preferred Stock is not Incurred in contemplation of such acquisition, merger or amalgamation; provided, further, however, that after giving effect to such acquisition, merger or amalgamation, either:

(1) the Issuer would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Debt to Adjusted EBITDA Ratio test set forth in Section 4.03(a); or

(2) the Debt to Adjusted EBITDA Ratio of the Issuer would be less than or equal to such ratio immediately prior to such acquisition;

(xvi) Indebtedness Incurred by a Receivables Subsidiary in a Qualified Receivables Financing that is not recourse (except for Standard Securitization Undertakings) to the Issuer or any Restricted Subsidiary other than a Receivables Subsidiary;

(xvii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided that such Indebtedness is extinguished within five Business Days of its Incurrence;

(xviii) Indebtedness of the Issuer or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to the Credit Agreement, in a principal amount not in excess of the stated amount of such letter of credit or bank guarantee;

(xix) Contribution Indebtedness;

(xx) Indebtedness of Restricted Subsidiaries that are not Guarantors; provided, however, that the aggregate principal amount of Indebtedness Incurred under this clause (xx), when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this clause (xx), does not exceed the greater of (x) \$75.0 million and (y) 10% of the Total Assets of the Restricted Subsidiaries of the Issuer that are not guarantors of any Indebtedness of the Issuer;

(xxi) Indebtedness of the Issuer or any Restricted Subsidiary consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business; and

(xxii) Indebtedness consisting of Indebtedness of the Issuer or a Restricted Subsidiary owed by or issued to current or former officers, directors and employees thereof or any direct or indirect Parent thereof, their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Issuer or any direct or indirect Parent of the Issuer to the extent described in Section 4.04(b)(iv).

(c) For purposes of determining compliance with this Section 4.03, (1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock meets the criteria of one or more of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (i) through (xxii) in Section 4.03(b) or is entitled to be Incurred pursuant to Section 4.03(a), the Issuer shall, in its sole discretion divide, classify or reclassify or later divide, classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock in any manner that complies with this Section 4.03 and such item of Indebtedness, Disqualified Stock or Preferred Stock shall be treated as having been Incurred pursuant to one or more of such clauses or pursuant to Section 4.03(a); provided that all Indebtedness under the Credit Agreement outstanding on the Issue Date shall be deemed to have been Incurred pursuant to Section 4.03(b)(i) and (2) at the time of Incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.03(a) and clauses (i) through (xxii) in Section 4.03(b) without giving pro forma effect to the Indebtedness Incurred pursuant to clauses (i) through (xxii) in Section 4.03(b) when calculating the amount of Indebtedness that may be Incurred pursuant to Section 4.03(a). Accrual of interest, the accretion of accreted value, amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies shall not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.03. Guarantees of, or obligations in

respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. Dollar Equivalent), in the case of revolving credit debt; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

SECTION 4.04. Limitation on Restricted Payments.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests, including any payment with respect to such Equity Interests made in connection with any merger, amalgamation or consolidation involving the Issuer (other than (A) dividends or distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer; or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Restricted Subsidiary, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(ii) purchase or otherwise acquire or retire for value any Equity Interests of the Issuer or any Parent of the Issuer;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under clauses (vii) and (ix) of Section 4.03(b)); or

(iv) make any Restricted Investment

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as “Restricted Payments”), unless, at the time of such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a pro forma basis, the Issuer would have a Debt to Adjusted EBITDA Ratio of less than or equal to 6.0 to 1.0; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after January 28, 2005 (including Restricted Payments permitted by clauses (i), (iv) (only to the extent of one-half of the amounts paid pursuant to such clause), (vi), (viii) and (xiii)(D) (only to the extent that the Issuer does not designate any such Parent Principal Distributions to reduce the amount of Restricted Payments that may be made in reliance on clause (x) of Section 4.04(b), but excluding all other Restricted Payments permitted by Section 4.04(b)), is less than the amount equal to the difference between (1) the Cumulative Credit and (2) 1.4 times Cumulative Interest Expense (it being understood that for purposes of calculating Cumulative Interest Expense for this purpose only, any of the Issuer’s or its Subsidiaries’ non-cash interest expense and amortization of original issue discount shall be excluded).

(b) The provisions of Section 4.04(a) shall not prohibit:

(i) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Indenture;

(ii) (A) the repurchase, retirement or other acquisition of any Equity Interests (“Retired Capital Stock”) of the Issuer or any Parent of the Issuer or Subordinated Indebtedness of the Issuer or any Subsidiary Guarantor in exchange for, or out of the proceeds of, the substantially concurrent sale (other than the sale of any Disqualified Stock or any Equity Interests sold to a Restricted Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) of Equity Interests of the Issuer or any Parent of the Issuer or contributions to the equity capital of the Issuer (collectively, including any such contributions, “Refunding Capital Stock”), and (B) the declaration and payment of accrued dividends on the Retired Capital Stock out of the proceeds of the substantially concurrent sale (other than to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) of Refunding Capital Stock;

(iii) the redemption, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Issuer or any Subsidiary Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Issuer or any Subsidiary Guarantor which is Incurred in accordance with Section 4.03 so long as

(A) the principal amount of such new Indebtedness does not exceed the principal amount of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired for value (plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired plus any fees incurred in connection therewith),

(B) such Indebtedness is subordinated to the Notes or the related Guarantee, as the case may be, at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, repurchased, acquired or retired for value,

(C) such Indebtedness has a final scheduled maturity date equal to or later than the earlier of (x) the final scheduled maturity date of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired or (y) one year following the maturity date of any Notes then outstanding, and

(D) such Indebtedness has a Weighted Average Life to Maturity at the time Incurred which is not less than the shorter of (x) the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired and (y) the Weighted Average Life to Maturity that would result if all payments of principal on the Subordinated Indebtedness being redeemed, repurchased, acquired or retired that were due on or after the date one year following the last maturity date of any Notes then outstanding were instead due on such date one year following the date of maturity of any Notes then outstanding;

(iv) the repurchase, retirement or other acquisition (or dividends to any Parent of the Issuer to finance any such repurchase, retirement or other acquisition) for value of Equity Interests of the Issuer or any Parent of the Issuer held by any future, present or former employee, director or consultant of the Issuer, any Parent of the Issuer or any Subsidiary of the Issuer pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; provided, however, that the aggregate amounts paid under this clause (iv) do not exceed \$35.0 million in any calendar year (with unused amounts in any calendar year being permitted to be carried over to succeeding calendar years subject to a maximum payment (without giving effect to the following proviso) of \$70.0 million in any calendar year); provided, further, however, that such amount in any calendar year may be increased by an amount not to exceed:

(A) the cash proceeds received by the Issuer or any of its Restricted Subsidiaries from the sale of Equity Interests (other than Disqualified Stock) of the Issuer or any Parent of the Issuer (to the extent contributed to the Issuer) to members of management, directors or consultants of the Issuer and its Restricted Subsidiaries or any Parent of the Issuer that occurs after January 28, 2005 (provided that the amount of such cash proceeds utilized for any such repurchase, retirement, other acquisition or dividend shall not increase the amount available for Restricted Payments under Section 4.04(a)(3)); plus

(B) the cash proceeds of key man life insurance policies received by the Issuer, any Parent of the Issuer (to the extent contributed to the Issuer) or the Issuer's Restricted Subsidiaries after January 28, 2005;

provided that the Issuer may elect to apply all or any portion of the aggregate increase contemplated by clauses (A) and (B) above in any calendar year; and provided, further, that the cancellation of Indebtedness owing to the Issuer from members of management of the Issuer, of any direct or indirect Parent of the Issuer or of any Restricted Subsidiary of the Issuer in connection with a repurchase of Equity Interests of the Issuer or any Parent of the Issuer will not be deemed to constitute a Restricted Payment for purposes of this Section 4.04 or any other provision of this Indenture;

(v) the declaration and payment of dividends or distributions to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries issued or incurred in accordance with Section 4.03;

(vi) the declaration and payment of dividends or distributions (a) to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after January 28, 2005, (b) to any Parent of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of any Parent of the Issuer issued after January 28, 2005 and (c) on Refunding Capital Stock in excess of amounts permitted pursuant to clause (ii) of this Section 4.04(b); provided, however, that (A) in the case of clauses (a), (b) and (c) of this clause (vi), for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock, or the declaration of such dividends on Refunding Capital Stock, after giving effect to such issuance (and the payment of dividends or distributions) on a pro forma basis, the Issuer would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Debt to Adjusted EBITDA Ratio test in Section 4.03(a) and (B) the aggregate amount of dividends declared and paid pursuant to subclauses (a) and (b) of this clause (vi) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after January 28, 2005;

(vii) Investments in Unrestricted Subsidiaries having an aggregate Fair Market Value, taken together with all other Investments made pursuant to this clause (vii) that are at that time outstanding, not to exceed \$125.0 million at the time of such Investment (with the Fair Market Value of each Investment being measured at the time made and without giving effect to subsequent changes in value);

(viii) the payment of dividends on the Issuer's ordinary shares, common shares or common stock (or the payment of dividends to any Parent of the Issuer, as the case may be, to fund the payment by any Parent of the Issuer of dividends on such entity's ordinary shares, common shares or common stock) of up to 7.5% per annum of the net proceeds received by the Issuer from any public offering of ordinary shares, common shares or common stock or contributed to the Issuer by any Parent of the Issuer from any public offering of ordinary shares, common shares or common stock;

(ix) Investments that are made with Excluded Contributions;

(x) other Restricted Payments in an aggregate amount not to exceed \$200.0 million if, immediately after giving effect to such Restricted Payment on a pro forma basis, the Issuer would have a Debt to Adjusted EBITDA Ratio of less than or equal to 6.0 to 1.0; provided that the amount of Restricted Payments permitted pursuant to this clause (x) shall be reduced (but not to less than zero) by an amount equal to the amount of Parent Principal Distributions that the Issuer designates at the time of making such Parent Principal Distributions to reduce the amount of Restricted Payments that may be made pursuant to this clause (x);

(xi) the distribution, as a dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to the Issuer or a Restricted Subsidiary of the Issuer by, Unrestricted Subsidiaries;

(xiii) the payment of dividends, other distributions or other amounts by the Issuer to, or the making of loans to, any Parent, in amounts required for such Parent to:

(A) pay amounts equal to the amounts required for any Parent of the Issuer to pay fees and expenses (including franchise or similar taxes) required to maintain its corporate existence, customary salary, bonus and other benefits payable to, and indemnities provided on behalf of, officers and employees of any Parent of the Issuer and general corporate overhead expenses of any Parent of the Issuer, in each case to the extent such fees, expenses, salaries, bonuses, benefits and indemnities are attributable to the ownership or operation of the Issuer and its Subsidiaries;

(B) pay amounts equal to amounts required for any Parent of the Issuer to pay interest and/or principal on Indebtedness the proceeds of which have been contributed to the Issuer or any of its Restricted Subsidiaries and that has been guaranteed by, or is otherwise considered Indebtedness of, the Issuer Incurred in accordance with Section 4.03;

(C) pay cash interest on the Holdings Notes and the Luxembourg Notes pursuant to the terms of the agreements governing such Holdings Notes and such Luxembourg Notes as in effect on the Issue Date and to pay any cash interest on any Indebtedness refinancing the Holdings Notes and the Luxembourg Notes; provided, that such Indebtedness remains the sole obligation of Holdings or Intelsat Luxembourg, respectively (or any successor thereto), and the principal amount of any such Indebtedness redeeming, refinancing or replacing the Holdings Notes or the Luxembourg Notes does not exceed the principal amount of the Indebtedness refinanced, plus any premiums, fees and expenses payable in connection with such refinancing;

(D) pay principal and premium, if any, on the Holdings Notes pursuant to the terms of the agreements governing such Holdings Notes as in effect on the Issue Date and to pay any principal and premium, if any, on any Indebtedness refinancing the Holdings Notes (any such payments made pursuant to this subclause (D), "Parent Principal Distributions"); provided that the Issuer shall deliver a certificate to the Trustee at the time of making any Parent Principal Distributions that designates a reduction of an equal amount of Restricted Payments that may be made pursuant to clause (x) of this Section 4.04(b) and/or Section 4.04(a)(iv)(3) (which latter clause may be reduced to below zero) in such proportion as the Issuer designates in such certificate; and

(E) pay amounts equal to the amounts required for any Parent of the Issuer to pay fees and expenses related to any unsuccessful equity offering, debt offering, merger, acquisition or other similar corporate transaction of or with respect to such Parent, the Issuer or any other Parent of the Issuer.

(xiv) any Restricted Payment used to fund the Transactions and the fees and expenses related thereto or made in connection with the consummation of the Transactions (including pursuant to or as contemplated by the Transaction Documents, whether prior to or on the Issue Date or thereafter), or owed by the Issuer or any Parent of the Issuer or Restricted Subsidiaries of the Issuer to Affiliates, in each case to the extent permitted by Section 4.07;

(xv) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants;

(xvi) purchases of receivables pursuant to a Receivables Repurchase Obligation in connection with a Qualified Receivables Financing and the payment or distribution of Receivables Fees;

(xvii) the payment, purchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness, Disqualified Stock or Preferred Stock of the Issuer and its Restricted Subsidiaries, pursuant to provisions similar to those described under Sections 4.06 and 4.08; provided that, prior to such payment, purchase, redemption, defeasance or other acquisition or retirement, the Issuer (or a third party to the extent permitted by this Indenture) has made a Change of Control Offer or Asset Sale Offer, as the case may be, with respect to the Notes as a result of such Change of Control or Asset Sale, as the case may be, and has repurchased all Notes validly tendered and not withdrawn in connection with such Change of Control Offer or Asset Sale Offer, as the case may be;

(xviii) any payments made in connection with the consummation of the Transactions or as contemplated by the Transaction Documents (other than payments to any Permitted Holder or any Affiliate thereof);

(xix) [Reserved];

(xx) the repurchase, redemption or other acquisition or retirement for value of any of the Holdings Notes from the proceeds of a Specified Sale/Leaseback Transaction (including any payments to any Parent of the Issuer to effect the foregoing); and

(xxi) the payment of dividends, other distributions or other amounts by the Issuer to, or the making of loans by the Issuer or any of its Restricted Subsidiaries to, any Parent of the Issuer to the extent that amounts equal to such dividends, distributions, other amounts or loans are promptly contributed to the capital of the Issuer by such

Parent or otherwise promptly repaid by such Parent to the Issuer or any Restricted Subsidiary of the Issuer (whether in the form of interest or principal or other payment on debt existing on the Issue Date); provided, that any amounts contributed to the capital of the Issuer or otherwise repaid pursuant to this clause (xxi) shall be excluded from the calculation set forth in the definition of the term "Cumulative Credit";

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (v), (vi), (vii), (x), (xi), (xiii)(C), and (xvii) of this Section 4.04(b), no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) The Issuer shall not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be Restricted Payments or Permitted Investments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation shall only be permitted if Restricted Payments or Permitted Investments in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

SECTION 4.05. Dividend and Other Payment Restrictions Affecting Subsidiaries. The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (a) (i) pay dividends or make any other distributions to the Issuer or any of its Restricted Subsidiaries (1) on its Capital Stock; or (2) with respect to any other interest or participation in, or measured by, its profits; or (ii) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;
- (b) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or
- (c) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries;

except in each case for such encumbrances or restrictions existing under or by reason of:

- (1) contractual encumbrances or restrictions in effect or entered into on the Issue Date, including pursuant to the Credit Agreement and the other Senior Credit Documents, the Intelsat Jackson Unsecured Credit Agreement, the New Intelsat Jackson Unsecured Credit Agreement, documents and agreements relating to the Specified Intercompany Agreements, the Holdings Notes, the Luxembourg Notes, the Jackson Notes and the Intelsat Luxembourg Intercompany Loan;

- (2) this Indenture and the Notes (and any Exchange Notes and guarantees thereof);
- (3) applicable law or any applicable rule, regulation or order;
- (4) any agreement or other instrument of a Person acquired by the Issuer or any Restricted Subsidiary which was in existence at the time of such acquisition (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;
- (5) contracts or agreements for the sale of assets, including customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary;
- (6) Secured Indebtedness otherwise permitted to be Incurred pursuant to Sections 4.03 and 4.12 that limits the right of the debtor to dispose of the assets securing such Indebtedness;
- (7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (8) customary provisions in joint venture agreements and other similar agreements (including customary provisions in agreements relating to any Joint Venture);
- (9) purchase money obligations for property acquired and Capitalized Lease Obligations in the ordinary course of business that impose restrictions of the nature discussed in clause (c) above on the property so acquired;
- (10) customary provisions contained in leases, licenses, contracts and other similar agreements entered into in the ordinary course of business that impose restrictions of the type described in clause (c) above on the property subject to such lease;
- (11) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing that, in the good faith judgment of the Issuer, are necessary or advisable in connection therewith; provided, however, that such restrictions apply only to such Receivables Subsidiary;
- (12) agreements and instruments, including agreements and instruments governing Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary of the Issuer that is Incurred subsequent to the Issue Date and permitted pursuant to Section 4.03; provided that either (A) the provisions relating to such encumbrance or restriction contained in such agreements or instruments are no less favorable to the Issuer, taken as a whole, as determined by the Board of Directors of the Issuer in good faith, than the provisions contained in the Credit Agreement and the other

Senior Credit Documents, the Intelsat Jackson Unsecured Credit Agreement, the New Intelsat Jackson Unsecured Credit Agreement, the Intelsat Luxembourg Intercompany Loan or in an indenture governing the Holdings Notes, the Luxembourg Notes, the Jackson Notes or the Notes, in each case, as in effect or entered into on the Issue Date or (B) such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Issuer's ability to make anticipated principal or interest payments on the Notes (as determined by the Issuer in good faith);

(13) any Restricted Investment not prohibited by Section 4.04 and any Permitted Investment; and

(14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) of this Section 4.05 imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive as a whole with respect to such encumbrances and restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on ordinary shares shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

#### SECTION 4.06. Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of and (y) at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; provided that the amount of:

(i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets,

(ii) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and

(iii) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed 6.25% of Total Assets of the Issuer at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value)

shall be deemed to be Cash Equivalents for the purposes of this Section 4.06(a).

(b) Within 485 days after the Issuer's or any Restricted Subsidiary of the Issuer's receipt of the Net Proceeds of any Asset Sale (or Event of Loss Proceeds), the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale (together with any Event of Loss Proceeds), at its option:

(i) to permanently reduce Obligations under Secured Indebtedness or Pari Passu Indebtedness (provided that if the Issuer or any Guarantor shall so reduce Obligations under Pari Passu Indebtedness (other than Pari Passu Indebtedness that is Secured Indebtedness and other than Pari Passu Indebtedness that is Indebtedness represented by the Issuer's guarantee of Indebtedness of any Restricted Subsidiary of the Issuer), the Issuer shall equally and ratably reduce Obligations under the Notes if the Notes are then prepayable or, if the Notes may not then be prepaid, by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest and additional interest, if any, the pro rata principal amount of Notes that would otherwise be prepaid) or Indebtedness of a Restricted Subsidiary that is not a Guarantor, in each case other than Indebtedness owed to the Issuer or an Affiliate of the Issuer; provided that if an offer to purchase any Indebtedness of the Issuer or its Restricted Subsidiaries is made in accordance with the terms of such Indebtedness, the obligation to permanently reduce Indebtedness of the Issuer or a Restricted Subsidiary, as the case may be, will be deemed to be satisfied to the extent of the amount of the offer, whether or not accepted by the holders thereof, and no Net Proceeds in the amount of such offer will be deemed to exist following such offer,

(ii) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), or capital expenditures or assets, in each case used or useful in a Similar Business, and/or

(iii) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), properties or assets that replace the properties and assets that are the subject of such Asset Sale or Event of Loss;

provided that in the case of clauses (ii) and (iii) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment and, in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, the Issuer or such Restricted Subsidiary enters into another binding commitment within nine months of such cancellation or termination of the prior binding commitment. Pending the final application of any such Net Proceeds (or Event of Loss Proceeds), the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds (or Event of Loss Proceeds) in Cash Equivalents or Investment Grade Securities. Any Net Proceeds from any Asset Sale (or Event of Loss Proceeds) that are not applied as provided and within the time period set forth in the first sentence of this Section 4.06(b) (it being understood that any portion of such Net Proceeds (or Event of Loss Proceeds) used to make an offer to purchase Notes, as described in clause (i) above, shall be deemed to have been invested whether or not such offer is accepted) shall be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$55.0 million, the Issuer shall make an offer to all Holders of Notes and, at the option of the Issuer, to holders of any Pari Passu Indebtedness (an "Asset Sale Offer") to purchase the maximum principal amount of Notes (and such Pari Passu Indebtedness) that is an integral multiple of \$1,000, provided that no notes of \$2,000 or less shall be purchased in part, that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness was issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest and additional interest, if any (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Section 4.06. The Issuer shall commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$55.0 million by mailing the notice required pursuant to the terms of Section 4.06(f), with a copy to the Trustee. To the extent that the aggregate amount of Notes (and such Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Notes surrendered by Holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Notes (and such Pari Passu Indebtedness) to be purchased in the manner described in Section 4.06(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) Not later than the date upon which written notice of an Asset Sale Offer is delivered to the Trustee as provided above, the Issuer shall deliver to the Trustee an Officers' Certificate as to (i) the amount of the Excess Proceeds, (ii) the allocation of the Net Proceeds from the Asset Sales pursuant to which such Asset Sale Offer is being made and (iii) the compliance of such allocation with the provisions of Section 4.06(b). On such date, the Issuer shall also irrevocably deposit with the Trustee or with a Paying Agent (or, if the Issuer or a Wholly-Owned Restricted Subsidiary is acting as a Paying Agent, segregate and hold in trust) an amount equal to the Excess Proceeds to be invested in Cash Equivalents, as directed in writing by the Issuer, and to be held for payment in accordance with the provisions of this Section 4.06. Upon the expiration of the period for which the Asset Sale Offer remains open (the "Offer Period"), the Issuer shall deliver to the Trustee for cancellation the Notes or portions thereof that have been properly tendered to and are to be accepted by the Issuer. The Trustee (or a Paying Agent, if not the Trustee) shall, on the date of purchase, mail or deliver payment to each tendering Holder in the amount of the purchase price. In the event that the Excess Proceeds delivered by the Issuer to the Trustee is greater than the purchase price of the Notes tendered, the Trustee shall deliver the excess to the Issuer immediately after the expiration of the Offer Period for application in accordance with this Section 4.06.

(e) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Note purchased. If at the end of the Offer Period more Notes (and such Pari Passu Indebtedness) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, the principal amount of the Notes (and Pari Passu Indebtedness) to be purchased will be determined pro rata based on the principal amount so tendered and the selection of the actual Notes for purchase shall be made by the Trustee on a pro rata basis to the extent practicable; provided, however, that no Notes (or Pari Passu Indebtedness) of \$2,000 or less shall be purchased in part.

(f) Notice of an Asset Sale Offer shall be mailed by first class mail, postage prepaid, at least 30 but not more than 60 days before the purchase date to each Holder of Notes at such Holder's registered address. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

(g) A new Note in principal amount equal to the unpurchased portion of any Note purchased in part shall be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the purchase date, unless the Issuer defaults in payment of the purchase price, interest shall cease to accrue on Notes or portions thereof purchased.

SECTION 4.07. Transactions with Affiliates.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$15.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$35.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Issuer or any Parent of the Issuer approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) (A) transactions between or among the Issuer and/or any of its Restricted Subsidiaries and (B) any merger or amalgamation of the Issuer and any direct parent company of the Issuer; provided that such parent company shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer and such merger or amalgamation is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) (a) Restricted Payments permitted by Section 4.04 and (b) Investments under the definition of "Permitted Investments";

(a) Upon the occurrence of any of the following events (each, a "Change of Control"), each Holder shall have the right to require the Issuer to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Issuer has previously elected to redeem Notes in accordance with Article 3 of this Indenture:

(i) the sale, lease or transfer, in one or a series of related transactions, of all or substantially all the assets of the Issuer and its Subsidiaries, taken as a whole, to a Person other than any of the Permitted Holders, and other than any transaction in compliance with Article 5 where the Successor Company is a Wholly-Owned Subsidiary of a Parent of the Issuer; or

(ii) the Issuer becomes aware (by way of a report or any other filing pursuant to Section 13(d) of the Exchange Act, proxy, vote, written notice or otherwise) of the acquisition by any Person or group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision), including any group acting for the purpose of acquiring, holding or disposing of securities (within the meaning of Rule 13d-5(b)(1) under the Exchange Act), other than any of the Permitted Holders, in a single transaction or in a related series of transactions, by way of merger, amalgamation, consolidation or other business combination or purchase of beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act, or any successor provision), of more than 50% of the total voting power of the Voting Stock of the Issuer or any Parent of the Issuer.

Notwithstanding the foregoing, none of (i) any Specified Merger/Transfer Transaction or (ii) any Subsidiary Transfer Transaction, shall constitute a Change of Control.

(b) Within 90 days following any Change of Control, except to the extent that the Issuer has exercised its right to redeem the Notes in accordance with Article 3 of this Indenture, the Issuer shall mail a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating:

(i) that a Change of Control has occurred and that such Holder has the right to require the Issuer to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest and additional interest, if any, to the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date);

(ii) the circumstances and relevant facts and financial information regarding such Change of Control;

(iii) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); and

(iv) the instructions determined by the Issuer, consistent with this Section, that a Holder must follow in order to have its Notes purchased.

A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of the making of the Change of Control Offer.

(c) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Note purchased. Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(d) On the purchase date, all Notes purchased by the Issuer under this Section 4.08 shall be delivered to the Trustee for cancellation, and the Issuer shall pay the purchase price plus accrued and unpaid interest to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section 4.08, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in Section 4.08(b) applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(f) At the time the Issuer delivers Notes to the Trustee which are to be accepted for purchase, the Issuer shall also deliver an Officers' Certificate stating that such Notes are to be accepted by the Issuer pursuant to and in accordance with the terms of this Section 4.08. A Note shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(g) Prior to any Change of Control Offer, the Issuer shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(h) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

SECTION 4.09. Compliance Certificate. If a Default occurs and is continuing and is known to the Trustee, the Trustee shall mail to each Holder of the Notes a notice of Default within the earlier of 90 days after the Default occurs or 30 days after the Default is known to a Trust Officer or written notice of the Default is received by the Trustee. In addition, the Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such fiscal year. If they do, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. The Issuer also shall comply with Section 314(a)(4) of the TIA.

SECTION 4.10. Further Instruments and Acts. Upon request of the Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Future Guarantors. The Issuer shall not permit any of its Restricted Subsidiaries (other than (i) any Receivables Subsidiary formed in connection with a Qualified Receivables Financing and (ii) any License Subsidiary in connection with any guarantee of the Credit Agreement) that is not a Subsidiary Guarantor to, directly or indirectly, guarantee the payment of any Indebtedness of the Issuer (other than Permitted Debt), unless such Subsidiary executes and delivers to the Trustee a Guarantee or a supplemental indenture substantially in the form of **Exhibit D** (together with such opinions or certificates reasonably requested in connection therewith) pursuant to which such Subsidiary will guarantee payment of the Notes. Each Guarantee shall be limited to an amount not to exceed the maximum amount that can be guaranteed by that Restricted Subsidiary without rendering the Guarantee, as it relates to such Restricted Subsidiary, voidable under applicable law relating to corporate benefit, fraudulent conveyance, fraudulent transfer or similar laws affecting the rights of creditors generally.

SECTION 4.12. Liens.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien (other than Permitted Liens) that secures any obligations under Indebtedness of the Issuer against or on any asset or property now owned or hereafter acquired by the Issuer, or any income or profits therefrom, unless:

(1) in the case of Liens securing Indebtedness that is Subordinated Indebtedness, the Notes are secured by a Lien on such property or assets that is senior in priority to such Liens; and

(2) in all other cases, the Notes are equally and ratably secured;

provided that any Lien which is granted to secure the Notes under this Section 4.12 shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes under this Section 4.12.

(b) For purposes of determining compliance with this Section 4.12, (A) a Lien securing an item of Indebtedness need not be permitted solely by reference to one category of Permitted Liens described in the definition of Permitted Liens or pursuant to Section 4.12(a) but may be permitted in part under any combination thereof and (B) in the event that a Lien securing an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of one or more of the categories of Permitted Liens described in the definition of Permitted Liens or pursuant to Section 4.12(a), the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Lien securing such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 4.12 and will only be required to include the amount and type of such Lien or such item of Indebtedness secured by such Lien in one of the clauses of the definition of Permitted Liens and such Lien securing such item of Indebtedness will be treated as being Incurred or existing pursuant to only one of such clauses or pursuant to Section 4.12(a).

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Issuer, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (3) of the definition of Indebtedness.

SECTION 4.13. Maintenance of Office or Agency.

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the corporate trust office of the Trustee as set forth in Section 11.02.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the corporate trust office of the Trustee or its Agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.14. Maintenance of Insurance.

(a) The Issuer shall, and shall cause each Restricted Subsidiary to, obtain, maintain and keep in full force and effect at all times (i) with respect to each Satellite procured by the Issuer or any Restricted Subsidiary for which the risk of loss passes to the Issuer or such Restricted Subsidiary at or before launch, and for which launch insurance or commitments with respect thereto are not in place as of the Issue Date, launch insurance with respect to each such Satellite covering the launch of such Satellite and a period of time thereafter, but only to the extent, if at all, and on such terms (including coverage period, exclusions, limitations on coverage, co-insurance, deductibles and coverage amount) as is determined by the Issuer to be in the best interests of the Issuer, (ii) with respect to each Satellite it currently owns or for which it has risk of loss (or, if the entire Satellite is not owned, the portion it owns or for which it has risk of loss), other than any Excluded Satellite, In-Orbit Insurance and (iii) at all times subsequent to the coverage period of the launch insurance described in clause (i) above, if any, or if launch insurance is not procured, at all times subsequent to the initial completion of in-orbit testing, in each case with respect to each Satellite it then owns or for which it has risk of loss (or portion, as applicable), other than any Excluded Satellite, In-Orbit Insurance; provided, however, that at any time with respect to a Satellite that is not an Excluded Satellite, none of the Issuer or any of its Subsidiaries shall be required to maintain In-Orbit Insurance in excess of 33% of the aggregate net book value of all in-orbit Satellites (and portions it owns or for which it has risk of loss) insured (it being understood that any Satellite (or portion, as applicable) protected by In-Orbit Contingency Protection shall be deemed to be insured for a percentage of its net book value as set forth in the definition of "In-Orbit Contingency Protection").

(b) In the event that the expiration and non-renewal of In-Orbit Insurance for such a Satellite (or portion, as applicable) resulting from a claim of loss under such policy causes a failure to comply with the proviso to Section 4.14(a), the Issuer and its Restricted Subsidiaries shall be deemed to be in compliance with the proviso to Section 4.14(a) for the 120 days immediately following such expiration or non-renewal, provided that the Issuer or any of its Restricted Subsidiaries, as the case may be, procures such In-Orbit Insurance or provides such In-Orbit Contingency Protection as necessary to comply with the preceding proviso within such 120-day period.

(c) The insurance required by this Section 4.14 shall name the Issuer or the applicable Restricted Subsidiary as the named insured.

(d) In the event of the unavailability of any In-Orbit Contingency Protection for any reason, the Issuer or a Restricted Subsidiary, as the case may be, shall, subject to the proviso to Section 4.14(a), within 120 days of such unavailability, be required to have in effect In-Orbit Insurance complying with Section 4.14(a)(ii) or (iii), as applicable, with respect to all Satellites (or portions, as applicable), other than Excluded Satellites that the unavailable In-Orbit Contingency Protection was intended to protect and for so long as such In-Orbit Contingency Protection is unavailable, provided that the Issuer and its Restricted Subsidiaries shall be considered in compliance with this Section 4.14 for the 120 days immediately following such unavailability.

(e) In the event that the Issuer or any of its Restricted Subsidiaries receives any Event of Loss Proceeds in respect of an Event of Loss, such Event of Loss Proceeds shall be applied in the manner provided for in Section 4.06.

SECTION 4.15. Matters Relating to Government Business Subsidiaries. The Issuer shall use its commercially reasonable efforts (as may be permitted under that certain proxy agreement (the “Proxy Agreement”) among Intelsat General Corporation (“Intelsat General”) and the other parties thereto, and as may be permitted under any substantially similar agreement) and shall use its commercially reasonable efforts (as may be permitted under the Proxy Agreement, and as may be permitted under any substantially similar agreement) to cause its Restricted Subsidiaries (other than Intelsat General, and other than any other Government Business Subsidiary), not to allow or permit, directly or indirectly, Intelsat General, or such other Government Business Subsidiary, to take, or fail to take, any action that would violate the covenants and terms of this Indenture.

SECTION 4.16. Suspension of Covenants.

(a) During any period of time that: (i) the Notes have Investment Grade Ratings from two Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), the Issuer and the Restricted Subsidiaries shall not be subject to the provisions of Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.11, 4.14 and 5.01(a) (iv) (collectively, the “Suspended Covenants”).

(b) Upon the occurrence of a Covenant Suspension Event, any Guarantees of any Subsidiary Guarantors, if any, will also be suspended as of such date (the “Suspension Date”).

(c) In the event that the Issuer and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraws its Investment Grade Rating or downgrades the rating assigned to the Notes below an Investment Grade Rating, then the Issuer and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events and the Guarantees, if any, of any Subsidiary Guarantors will be reinstated if such guarantees are then required by the terms of this Indenture. The period of time between the Suspension Date and the Reversion Date is referred to in this Indenture as the “Suspension Period.”

(d) Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or upon termination of the Suspension Period or after that time based solely on events that occurred during the Suspension Period).

(e) On the Reversion Date, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been Incurred or issued pursuant to Sections 4.03(a) or (b) (to the extent such Indebtedness or Disqualified Stock or Preferred Stock would be permitted to be Incurred or issued thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred or issued prior to the Suspension

Period and outstanding on the Reversion Date). To the extent such Indebtedness or Disqualified Stock or Preferred Stock would not be so permitted to be Incurred or issued pursuant to Sections 4.03(a) or (b), such Indebtedness or Disqualified Stock or Preferred Stock will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.03(b)(iii). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.04 will be made as though the relevant provisions under Section 4.04 had been in effect since the Issue Date (with amounts calculated from the respective dates specified in Section 4.04 and the related definitions) and throughout the Suspension Period. For the avoidance of doubt, Restricted Payments made during the Suspension Period shall reduce the amount available to be made as Restricted Payments under Section 4.04(a). No Default or Event of Default shall be deemed to have occurred on the Reversion Date as a result of any actions taken by the Issuer or its Restricted Subsidiaries during the Suspension Period.

(f) The Issuer shall deliver promptly to the Trustee an Officer's Certificate notifying the Trustee of any Covenant Suspension Event or Reversion Date, as the case may be, pursuant to this Section 4.16.

**SECTION 4.17. Payment of Additional Amounts.**

(a) The Issuer (or any Guarantor) shall pay or cause to pay to any Holder so entitled all additional amounts that may be necessary so that every Net Payment of interest, principal, premium or other amount on that Note will not be less than the amount provided for in that Note. "Net Payment" means the amount the Issuer or any paying agent pays the Holder after deducting or withholding an amount for or on account of any present or future tax, assessment or other governmental charge imposed with respect to that payment by a taxing authority (including any withholding or deduction attributable to additional amounts payable pursuant to this Section 4.17).

(b) The Issuer (and any Guarantor) shall also indemnify and reimburse Holders for:

(i) taxes (including any interest, penalties and related expenses) imposed on the Holders by a Relevant Tax Jurisdiction if and to the same extent that a Holder would have been entitled to receive additional amounts if the Issuer (or any Guarantor) had been required to deduct or withhold those taxes from payments on the Notes (or with respect to any Guarantee); and

(ii) stamp, court, documentary or similar taxes or charges (including any interest, penalties and related expenses) imposed by a Relevant Tax Jurisdiction in connection with the Notes or the execution, delivery, enforcement, registration of the Notes or payment under or with respect to other related documents and obligations (including any Guarantees).

(c) Notwithstanding clauses (a) and (b) of this Section 4.17, the Issuer (or any Guarantor) shall not pay additional amounts to any Holder for or on account of:

(i) any tax, assessment or other governmental charge imposed solely because at any time there is or was a connection between the Holder (or between a fiduciary, settlor, beneficiary, partner, member or shareholder of or possessor of power over the relevant Holder if the Holder is an estate, nominee, trust, partnership, limited liability company, or corporation) and the jurisdiction imposing the tax (other than the mere receipt of a payment or the acquisition, ownership, disposition or holding of, or enforcement of rights under, a Note);

(ii) any estate, inheritance, gift or any similar tax, assessment or other governmental charge;

(iii) any tax, assessment or other governmental charge imposed solely because the Holder (or if the Holder is not the beneficial owner, the beneficial owner) that is legally able to do so fails to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with the taxing jurisdiction of the Holder or any beneficial owner of the Note, if compliance is required by law or by an applicable income tax treaty to which the jurisdiction imposing the tax is a party, as a precondition to exemption from the tax, assessment or other governmental charge and the Issuer has given the Holders at least 60 days' notice that Holders will be required to provide such information and identification;

(iv) any tax, assessment or other governmental charge with respect to a Note presented for payment more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holder of the Note would have been entitled to additional amounts on presenting the Note for payment on any date during the 30-day period; and

(v) any withholding or deduction imposed on a payment to an individual or residual entity that is required to be made pursuant to the European Union Directive on the taxation of savings income (2003/48/EC), which was adopted by the ECOFIN Council on June 3, 2003, or any law implementing or complying with, or introduced in order to conform to, such Directive (including as it may be amended including pursuant to the amending proposal (164731/1/09 FISC REV 1 as corrected by 164731/1/09 FISC REV 1 COR 1) or the Luxembourg laws of June 21, 2005 and December 23, 2005.

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Guarantor or any of its Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction) no Default or Event of Default shall have occurred and be continuing; and

(iv) the Successor Guarantor (if other than such Subsidiary Guarantor) shall have delivered or caused to be delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Subject to the limitations described in this Indenture, the Successor Guarantor shall succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor’s Guarantee, and such Subsidiary Guarantor shall automatically be released and discharged from its obligations under this Indenture and such Subsidiary Guarantor’s Guarantee. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge,

amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in a (or another) state of the United States, the District of Columbia, any territory of the United States, Bermuda or any country that is a member of the European Union or the jurisdiction of organization of the Issuer, so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby and (2) a Subsidiary Guarantor may merge, amalgamate or consolidate with another Subsidiary Guarantor or the Issuer.

(c) Notwithstanding Sections 5.01(a) and (b) and Section 5.02 below, nothing in this Article shall prevent any Subsidiary Transfer Transaction, which need not comply with Sections 5.01(a) or (b) and Section 5.02 below.

**SECTION 5.02. Successor Company Substituted.**

Upon any consolidation, merger or amalgamation, or any sale, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer in accordance or permitted by with Section 5.01 hereof, the Successor Company (if other than the Issuer) shall succeed to and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Successor Company had been named as the Issuer herein and the Issuer (if not the Successor Company) will automatically be released and discharged from its obligations under this Indenture and the Notes.

**ARTICLE 6**

**DEFAULTS AND REMEDIES**

**SECTION 6.01. Events of Default.** An “Event of Default” occurs if:

(a) the Issuer defaults in any payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 days,

(b) the Issuer defaults in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise,

(c) the Issuer or any of its Restricted Subsidiaries fails to comply with any of its other agreements contained in the Notes or this Indenture (other than those referred to in (a) or (b) above) and such failure continues for 60 days after the notice specified below; provided, however, that to the extent such failure relates solely to an action or inaction by Intelsat General or another Government Business Subsidiary, and the Issuer and its Restricted Subsidiaries have otherwise complied with Section 4.15, no Event of Default shall occur,

(d) Holdings, the Issuer or any Significant Subsidiary fails to pay any Indebtedness (other than Indebtedness owing to a Parent of the Issuer or a Restricted Subsidiary of the Issuer) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$75.0 million or its foreign currency equivalent,

(e) Holdings, the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,

(f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against Holdings, the Issuer or any Significant Subsidiary in an involuntary case;

(ii) appoints a Custodian of Holdings, the Issuer or any Significant Subsidiary or for any substantial part of its property; or

(iii) orders the winding up or liquidation of Holdings, the Issuer or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days, or

(g) Holdings, the Issuer or any Significant Subsidiary fails to pay final judgments aggregating in excess of \$75.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term “Bankruptcy Law” means Title 11, United States Code, or any similar U.S. Federal, state or any foreign law for the relief of debtors. The term “Custodian” means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (c) above shall not constitute an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes notify the Issuer of the Default and the Issuer does not cure such Default within the time specified in clause (c) above after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a “Notice of Default”. The Issuer shall deliver to the Trustee, within thirty days after the occurrence thereof, written notice in the form of an Officers’ Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(e) or (f) with respect to the Issuer) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Notes by notice to the Issuer, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(e) or (f) with respect to the Issuer occurs, the principal of, premium, if any, and interest on all the Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the Notes by notice to the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

In the event of any Event of Default specified in Section 6.01(d), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders of the Notes, if within 30 days after such Event of Default arose the Issuer delivers an Officers’ Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. Provided the Notes are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the Notes by notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. The Holders of a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (i) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25% in principal amount of the outstanding Notes make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee reasonable security or indemnity satisfactory to it against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the outstanding Notes do not give the Trustee a direction inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SECTION 6.07. Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Notes) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation, expenses, disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)) and the Holders allowed in any judicial proceedings relative to the Issuer or any Guarantor, their creditors or their property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or, to the extent the Trustee collects any amount from any Subsidiary Guarantor, to such Subsidiary Guarantor.

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

SECTION 6.12. Waiver of Stay or Extension Laws. Neither the Issuer nor any Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that it may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

### TRUSTEE

#### SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and to the provisions of the TIA.

#### SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Notes at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney, at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Guarantee or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer or any Guarantor in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Section 6.01(c), (d), (e), (f) or (g) or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 11.02 hereof from the Issuer, any Guarantor or any Holder.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall mail to each Holder notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. Reports by Trustee to the Holders. As promptly as practicable after the end of each fiscal year of the Issuer beginning with end of the fiscal year following the date of this Indenture, and in any event within 12 months of the last such report, the Trustee shall mail to each Holder a brief report dated as of such fiscal year end that complies with Section 313(a) of the TIA if and to the extent required thereby. The Trustee shall also comply with Section 313(b) of the TIA.

A copy of each report at the time of its mailing to the Holders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Issuer agrees to notify promptly the Trustee in writing whenever the Notes become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time reasonable compensation for its services as agreed in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and each Guarantor, jointly and severally shall indemnify the Trustee against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture

or Guarantee against the Issuer or a Guarantor (including this Section) and defending itself against or investigating any claim (whether asserted by the Issuer, any Guarantor, any Holder or any other Person). The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; provided, however, that any failure so to notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer and the Guarantors, as applicable shall pay the fees and expenses of such counsel; provided, however, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuer and the Guarantors, as applicable, and such parties in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, negligence or bad faith.

To secure the Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's and the Guarantors' payment obligations pursuant to this Section 7.07 shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(e) or (f) with respect to Holdings or the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

#### SECTION 7.08. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuer may remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If the Trustee has or shall acquire a conflicting interest within the meaning of the TIA, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provide by, and subject to the provisions of, the TIA and this Indenture. To the extent permitted by the TIA, the Trustee shall not be deemed to have a conflicting interest by virtue of being a Trustee under this Indenture with respect to Notes of more than one series.

(b) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$100,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.11. Preferential Collection of Claims Against Issuer. The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

## ARTICLE 8

### DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Discharge of Liability on Notes; Defeasance. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration or transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes when:

(a) either (i) all the Notes theretofore authenticated and delivered (other than Notes pursuant to Section 2.08 which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Notes (a) have become due and payable, (b) will become due and payable at their Stated Maturity within one year or (c) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient in the written opinion of a firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited) to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(b) the Issuer and/or the Guarantors, if any, have paid all other sums payable under this Indenture; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Subject to Sections 8.01(c) and 8.02, the Issuer at any time may terminate (i) all of its obligations under the Notes and this Indenture (with respect to such Notes) ("legal defeasance option") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.11, 4.12 and 4.14 and the operation of Section 5.01 and Sections 6.01(d), 6.01(e) (with respect to Significant Subsidiaries of the Issuer only), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only) or 6.01(g) ("covenant defeasance option"). The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Notes and this Indenture (with respect to such Notes) by exercising its legal defeasance option or its covenant defeasance option, the obligations of each Guarantor under its Guarantee of such Notes shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. If the Issuer exercises its covenant defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default specified in Section 6.01(c), 6.01(d), 6.01(e) (with respect to Significant Subsidiaries of the Issuer only), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only) or 6.01(g) or because of the failure of the Issuer to comply with Section 4.08 or Section 5.01.

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article shall survive until the Notes have been paid in full. Thereafter, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive such satisfaction and discharge.

**SECTION 8.02. Conditions to Defeasance.**

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Issuer irrevocably deposits in trust with the Trustee cash in U.S. Dollars or U.S. Government Obligations, the principal of and the interest on which will be sufficient, or a combination thereof sufficient, to pay the principal of, and premium (if any) and interest on the Notes when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date;

(ii) the Issuer delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations, plus any deposited money without investment, will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest when due on all the Notes to maturity or redemption, as the case may be;

(iii) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.01(e) or (f) with respect to the Issuer occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Issuer;

(v) the Issuer delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(vi) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; provided, however, that such Opinion of Counsel need not be delivered if all Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving notice of redemption by the Trustee in the name, and at the expense, of the Issuer;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article have been complied with.

(b) The Issuer shall not be deemed to have breached its obligations under Section 4.03 to the extent the net proceeds from any Indebtedness, Preferred Stock or Disqualified Stock incurred is used in accordance with Section 8.02(a)(i) above for the Issuer to exercise its legal defeasance or covenant defeasance option.

(c) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Notes at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article. It shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes so discharged or defeased.

SECTION 8.04. Repayment to Issuer. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuer upon request any money or U.S. Government Obligations held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article until such time as the Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article; provided, however, that, if the Issuer has made any payment of principal of or interest on, any such Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or any Paying Agent.

## ARTICLE 9

### AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders. The Issuer and the Trustee may amend this Indenture or the Notes without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, defect or inconsistency;
- (ii) to comply with Article 5;
- (iii) to provide for uncertificated Notes in addition to or in place of certificated Notes; provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code;
- (iv) to add Guarantees with respect to the Notes or to secure the Notes;
- (v) to add to the covenants of the Issuer or any Parent of the Issuer for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer or any Parent of the Issuer;
- (vi) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA;
- (vii) to effect any provision of this Indenture (including to release any Guarantees in accordance with the terms of this Indenture);
- (viii) to make any change that does not adversely affect the rights of any Holder;
- (ix) to provide for the issuance of the Exchange Notes or Additional Notes; or
- (x) to release the Guarantee of any Parent of the Issuer.

After an amendment under this Section 9.01 becomes effective, the Issuer shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of the Holders.

(a) The Issuer and the Trustee may amend this Indenture or the Notes with the written consent of the Holders of at least a majority in principal amount of the Notes then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange for the Notes). However, without the consent of each Holder of an outstanding Note affected, an amendment may not:

- (i) reduce the amount of Notes whose Holders must consent to an amendment,
- (ii) reduce the rate of or extend the time for payment of interest on any Note,
- (iii) reduce the principal of or change the Stated Maturity of any Note,
- (iv) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed in accordance with Article 3,
- (v) make any Note payable in money other than that stated in such Note,
- (vi) impair the right of any Holder to receive payment of principal of, premium, if any, and interest on such Holder's Notes on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes,
- (vii) make any change in Section 6.04 or 6.07 or the second sentence of this Section 9.02, or
- (viii) expressly subordinate the Notes in contractual right of payment to any other Indebtedness of the Issuer.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

(b) After an amendment under this Section 9.02 becomes effective, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders entitled to receive such notice, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03. Compliance with Trust Indenture Act. From the date on which this Indenture is qualified under the TIA, every amendment, waiver or supplement to this Indenture or the Notes shall comply with the TIA as then in effect.

**SECTION 9.04. Revocation and Effect of Consents and Waivers.**

(a) A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Notes have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

**SECTION 9.05. Notation on or Exchange of Notes.** If an amendment, supplement or waiver changes the terms of a Note, the Issuer may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, supplement or waiver.

**SECTION 9.06. Trustee to Sign Amendments.** The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and the Guarantors, if applicable, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

SECTION 9.08. Additional Voting Terms. All Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote) as one class and no series of Notes will have the right to vote or consent as a separate class on any matter.

## ARTICLE 10 GUARANTEES

### SECTION 10.01. Guarantees.

(a) Each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees on an unsecured senior basis, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (i) the full performance and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuer under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, premium, if any, or interest or additional interest in respect of the Notes and all other monetary obligations of the Issuer under this Indenture and the Notes and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Notes or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any Guarantor; (v) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 10.02(b).

(c) Each Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed. Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Sections 8.01, 9.01, 10.02 and 10.06, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(f) Except as expressly set forth in Sections 8.01, 9.01 and 10.02, each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Except as expressly set forth in Sections 8.01, 9.01 and 10.02, each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each

Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Holders and the Trustee in respect of the Guaranteed Obligations.

(h) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 10.01.

(i) Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

(j) Upon request of the Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

(k) Any Guarantee given by any Parent of the Issuer may be released at any time upon written notice to the Trustee from such Parent of the Issuer.

#### SECTION 10.02. Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Guarantor without rendering such Guarantee, as it relates to such Guarantor, voidable under applicable law relating to corporate benefit, fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) A Guarantee as to any Subsidiary Guarantor shall terminate and be of no further force or effect and such Subsidiary Guarantor shall be deemed to be automatically released from all obligations under this Article upon:

(i) (A) the sale, disposition or other transfer (including through merger, amalgamation or consolidation) of the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of the applicable Subsidiary Guarantor if such sale, disposition or other transfer is made in compliance with this Indenture and (B) such Subsidiary Guarantor being released from its guarantees, if any, of, and all pledges and security, if any, granted in connection with the Credit Agreement and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer, or

(ii) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under Section 4.04 and the definition of "Unrestricted Subsidiary," or

(iii) in the case of any Restricted Subsidiary which after the Issue Date is required to guarantee the Notes pursuant to Section 4.11, the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or such Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the Notes, or

(iv) the Issuer's exercise of its legal defeasance option or covenant defeasance option pursuant to Article 8, or if the Issuer's obligations under this Indenture are discharged in accordance with the terms of this Indenture.

A Guarantee of a Subsidiary Guarantor also shall be automatically released and discharged upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing Bank Indebtedness or other exercise of remedies in respect thereof. In addition, any Guarantees of any Subsidiary Guarantors, if any, shall be suspended during any Suspension Period, as provided in Section 4.16 hereof. Further, the Issuer may, upon notice to the Trustee, automatically release and discharge the Guarantee of any Guarantor that was not obligated to become a Guarantor pursuant to the terms of this Indenture.

SECTION 10.03. Successors and Assigns. This Article shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article at law, in equity, by statute or otherwise.

SECTION 10.05. Modification. No modification, amendment or waiver of any provision of this Article, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06. Execution of Supplemental Indenture for Future Guarantors. Each Subsidiary and other Person which is required to become a Guarantor pursuant to Section 4.11 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of **Exhibit D** hereto pursuant to which such Subsidiary or other Person shall become a Guarantor under this Article and shall guarantee the Guaranteed Obligations on an unsecured senior basis. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Opinion of Counsel and an Officers' Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or other Person and that, subject to customary exception including the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Guarantee of such Guarantor is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and/or to such other matters as the Trustee may reasonably request.

SECTION 10.07. Non-Impairment. The failure to endorse a Guarantee on any Note shall not affect or impair the validity thereof.

The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

SECTION 11.11. No Recourse Against Others. No director, officer, employee, incorporator or holder of any Equity Interests in the Issuer (other than Holdings to the extent of its obligations as a Guarantor) or any Parent of the Issuer, as such, shall have any liability for any obligations of the Issuer under the Notes or this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability.

SECTION 11.12. Successors. All agreements of the Issuer and each Guarantor in this Indenture and the Notes shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 11.13. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture.

SECTION 11.14. Table of Contents; Headings. The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 11.15. Indenture Controls. If and to the extent that any provision of the Notes limits, qualifies or conflicts with a provision of this Indenture, such provision of this Indenture shall control.

SECTION 11.16. Severability. In case any provision in this Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability.

SECTION 11.17. Jurisdiction. The Issuer and each Guarantor agrees that any suit, action or proceeding against the Issuer or any Guarantor arising out of or based upon this Indenture or the transactions contemplated hereby may be instituted in the Supreme Court of the State of New York sitting in New York County and the United States District Court of the Southern District of New York, and any appellate court from any thereof, and waives any objection which it may now or hereafter have to the laying of venue of any such proceeding, and irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. The Issuer and the Guarantors hereby appoint CT Corporation System as their authorized agent (the "Authorized Agent") upon whom process may be served in any suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated herein that may be instituted in the Supreme Court of the State of New York sitting in New York County and the United States District Court of the Southern District of New York, and any appellate court from any thereof and expressly accept the non-exclusive jurisdiction of any such court in respect of any such suit, action or proceeding. The Issuer and the Guarantors hereby represent and warrant that the Authorized Agent has accepted such appointment and has agreed to act as said agent for service of process, and the Issuer and the Guarantors agree to take any and all action, including the filing of any and all documents, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon the Issuer and the Guarantors.

SECTION 11.18. Immunity. To the extent that the Issuer or any Guarantor has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment in aid or otherwise) with respect to itself or any of its property, the Issuer or such Guarantor hereby irrevocably waives and agrees not to plead or claim such immunity in respect of its obligations under this Indenture.

SECTION 11.19. Currency of Account; Conversion of Currency; Foreign Exchange Restrictions.

(a) U.S. Dollars are the sole currency of account and payment for all sums payable by the Issuer and the Guarantors under the Notes, the Guarantees of Notes or this Indenture, including damages related thereto. Any amount received or recovered in a currency other than U.S. Dollars by a Holder of Notes (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise) in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the U.S. Dollar amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. Dollar amount is less than the U.S. Dollar amount expressed to be due to the recipient under the Notes, the Issuer shall indemnify it against any loss sustained by it as a result as set forth in Section 11.19(b). In any event, the Issuer and the Guarantors shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Section 11.19, it will be sufficient for the Holder of a Note to certify in a satisfactory manner (indicating sources of information used) that it would have suffered a loss had an actual purchase of U.S. Dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. Dollars on such date had not been practicable, on the first date on which it would have been practicable, it being required that the need for a change of date be certified in the manner mentioned above). The indemnities set forth in this Section 11.19 constitute separate and independent obligations from other obligations of the Issuer and the Guarantors, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of the Notes and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under the Notes.

(b) The Issuer and the Guarantors, jointly and severally, covenant and agree that the following provisions shall apply to conversion of currency in the case of the Notes, the Guarantees and this Indenture:

(1) (A) If for the purpose of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the "Judgment Currency") an amount due in any other currency (the "Base Currency"), then the conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine); and (B) if there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Issuer and the Guarantors will pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt will produce the amount in the Base Currency originally due.

(2) In the event of the winding-up of the Issuer or any Guarantor at any time while any amount or damages owing under the Notes, the Guarantees and this Indenture, or any judgment or order rendered in respect thereof, shall remain outstanding, the Issuer and the Guarantors shall indemnify and hold the Holders and the Trustee harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the U.S. Dollar Equivalent of the amount due or contingently due under the Notes, the Guarantees and this Indenture (other than under this subsection (b)(2)) is calculated for the purposes of such winding-up and (ii) the final date for the filing of proofs of claim in such winding-up. For the purpose of this subsection (b)(2), the final date for the filing of proofs of claim in the winding-up of the Issuer or any Guarantor shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of the Issuer or such Guarantor may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.

(c) The obligations contained in subsections (a), (b)(1)(B) and (b)(2) of this Section 11.19 shall constitute separate and independent obligations from the other obligations of the Issuer and the Guarantors under this Indenture, shall give rise to separate and independent causes of action against the Issuer and the Guarantors, shall apply irrespective of any waiver or extension granted by any Holder or the Trustee or either of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of the Issuer or any Guarantor for a liquidated sum in respect of amounts due hereunder (other than under subsection (b)(2) above) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders or the Trustee, as the case may be, and no proof or evidence of any actual loss shall be required by the Issuer or any Guarantor or the liquidator or otherwise or any of them. In the case of subsection (b)(2) above, the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

(d) The term “rate(s) of exchange” shall mean the rate of exchange quoted by Reuters at 10:00 a.m. (New York time) for spot purchases of the Base Currency with the Judgment Currency other than the Base Currency referred to in subsections (b)(1) and (b)(2) above and includes any premiums and costs of exchange payable.

SECTION 11.20. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the date first written above.

A Holder of a Transfer Restricted Note may exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Transfer Restricted Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the Holder of such Transfer Restricted Note proposes to exchange such Transfer Restricted Note for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form attached to the applicable Note; or

Upon satisfaction of the conditions of this subparagraph (ii), the Trustee shall cancel the Transfer Restricted Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an written order of the Issuer in the form of an Officers' Certificate, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Transfer Restricted Notes transferred or exchanged pursuant to this subparagraph (ii).

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 of this Indenture. At any time prior to such cancellation, if any beneficial interest in

(a) INTELSAT JACKSON HOLDINGS S.A., a *société anonyme* existing under the laws of Luxembourg (such company, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Issuer”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Issuer shall pay interest semiannually on June 15 and December 15 of each year, commencing June 15, 2013.<sup>1</sup> Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from and including October 3, 2012<sup>2</sup> until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal at the rate borne by the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

(b) Registration Rights Agreement. The Holder of this Note is entitled to the benefits of a Registration Rights Agreement, dated as of October 3, 2012, among the Issuer, the guarantors named therein and Morgan Stanley & Co. LLC, as representative for the several the Initial Purchasers.

2. Method of Payment

The Issuer shall pay interest on the Notes to the Persons who are registered Holders at the close of business on the June 1 and December 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date (whether or not a Business Day). The Holders must surrender Notes to a Paying Agent to collect principal payments. The Issuer shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Issuer will make all payments in respect of a certificated Note (including principal, premium, if any, and interest), at the office of each Paying Agent, except that, at the option of the Issuer, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Notes may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or a Paying Agent to such effect designating such account no later than 10 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

<sup>1</sup> In the case of the Original Notes.

<sup>2</sup> In the case of the Original Notes.

### 3. Paying Agent and Registrar

Initially, Wells Fargo Bank, National Association, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent or Registrar without notice. The Issuer or any of its domestically incorporated Wholly-Owned Subsidiaries may act as Paying Agent or Registrar.

### 4. Indenture

The Issuer issued the Notes under an Indenture dated as of October 3, 2012 (the “Indenture”), among the Issuer, the Guarantors named therein and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) (the “TIA”) as in effect on the date on which the Indenture is qualified under the TIA. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and the Holders (as defined in the Indenture) are referred to the Indenture and, from the date on which the Indenture is qualified under the TIA, the TIA for a statement of such terms and provisions; in the event of any conflict between this Note and the Indenture, the terms of the Indenture shall govern.

The Notes are unsecured senior obligations of the Issuer. This Note is one of the Initial Notes referred to in the Indenture. The Notes include the Initial Notes and any Exchange Notes issued in exchange for Initial Notes pursuant to the Indenture. The Initial Notes and any Exchange Notes are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Issuer and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of the Issuer and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make asset sales. The Indenture also imposes limitations on the ability of the Issuer and any Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest, on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Guarantors have, jointly and severally, unconditionally guaranteed the Guaranteed Obligations on an unsecured senior basis on the terms set forth in the Indenture.

## 5. Optional Redemption

Except as set forth in the following two paragraphs and in Section 3.09 of the Indenture, the Notes shall not be redeemable at the option of the Issuer prior to December 15, 2017. Thereafter, the Notes shall be redeemable at the option of the Issuer, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' notice mailed by first-class mail to each Holder's registered address, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and additional interest, if any, to the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on December 15 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2017	103.313%
2018	102.208%
2019	101.104%
2020 and thereafter	100.000%

In addition, prior to December 15, 2017, the Issuer may redeem the Notes, at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and additional interest, if any, to the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or prior to December 15, 2015, the Issuer may redeem in the aggregate up to 35% of the aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) with the net cash proceeds of one or more Equity Offerings by the Issuer or by any Parent of the Issuer, in each case, to the extent the net cash proceeds thereof are contributed to the common equity capital of the Issuer or used to purchase Capital Stock (other than Disqualified Stock) of the Issuer from it, or from the cash contribution of equity capital to the Issuer, at a redemption price equal to 106.625% of the principal amount thereof, plus accrued and unpaid interest and additional interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided, however, that at least 65% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) must remain outstanding after each such redemption; and provided, further, that such redemption shall occur within 90 days after the date on which any such Equity Offering or cash contribution of equity capital to the Issuer is consummated upon not less than 30 nor more than 60 days' notice mailed to each Holder of Notes being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Notice of any redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, in the case of any Equity Offering, completion of an Equity Offering.

6. Sinking Fund

The Notes are not subject to any mandatory sinking fund.

7. Notice of Redemption

Notice of redemption will be mailed by first-class mail at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at his, her or its registered address. Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

8. Repurchase of Notes at the Option of Holders upon Change of Control and Asset Sales

Upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to require the Issuer to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Issuer will be required to offer to purchase Notes upon the occurrence of certain events.

9. Denominations; Transfer; Exchange

The Notes are in registered form, without coupons, in denominations of \$2,000 and whole multiples of \$1,000. A Holder shall register the transfer of or exchange of Notes in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Notes for a period of 15 days prior to a selection of Notes to be redeemed.

#### 10. Persons Deemed Owners

The registered Holder of this Note shall be treated as the owner of it for all purposes.

#### 11. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Issuer at its written request, subject to any abandoned property law. After any such payment, the Holders entitled to the money must look to the Issuer for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

#### 12. Discharge and Defeasance

Subject to certain conditions, the Issuer at any time may terminate some of or all its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations sufficient in the opinion of a firm of independent certified public accountants for the payment of principal of, and interest on the Notes to redemption, or maturity, as the case may be.

#### 13. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Notes (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Issuer and the Trustee may amend the Indenture or the Notes: (i) to cure any ambiguity, omission, defect or inconsistency, (ii) to comply with Article 5 of the Indenture, (iii) to provide for uncertificated Notes in addition to or in place of certificated Notes; provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code, (iv) to add Guarantees with respect to the Notes or to secure the Notes, (v) to add to the covenants of the Issuer or any Parent of the Issuer for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Parent of the Issuer, (vi) to comply with any requirement of the SEC in connection with the qualification of the Indenture under the TIA, (vii) to effect any provision of the Indenture (including to release any Guarantees in accordance with the terms of the Indenture), (viii) to make any change that does not adversely affect the rights of any Holder, (ix) to provide for the issuance of the Exchange Notes or Additional Notes or (x) to release the Guarantee of any Parent of the Issuer.

#### 14. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes, in each case, by notice to the Issuer, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer occurs, the principal of, premium, if any, and interest on all the Notes shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Notes unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding Notes make a written request to the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or, subject to Section 7.01 of the Indenture, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

#### 15. Trustee Dealings with the Issuer

## 1. Interest

INTELSAT JACKSON HOLDINGS S.A., a *société anonyme* existing under the laws of Luxembourg (such company, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Issuer”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Issuer shall pay interest semiannually on June 15 and December 15 of each year, commencing June 15, 2013.<sup>3</sup> Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from and including October 3, 2012<sup>4</sup> until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal at the rate borne by the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

## 2. Method of Payment

The Issuer shall pay interest on the Notes to the Persons who are registered Holders at the close of business on the June 1 and December 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date (whether or not a Business Day). The Holders must surrender Notes to a Paying Agent to collect principal payments. The Issuer shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Issuer will make all payments in respect of a certificated Note (including principal, premium, if any, and interest), at the office of each Paying Agent, except that, at the option of the Issuer, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Notes may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or a Paying Agent to such effect designating such account no later than 10 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

<sup>3</sup> In the case of the Original Notes.

<sup>4</sup> In the case of the Original Notes.

### 3. Paying Agent and Registrar

Initially, Wells Fargo Bank, National Association, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent or Registrar without notice. The Issuer or any of its domestically incorporated Wholly-Owned Subsidiaries may act as Paying Agent or Registrar.

### 4. Indenture

The Issuer issued the Notes under an Indenture dated as of October 3, 2012 (the “Indenture”), among the Issuer, the Guarantors named therein and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) (the “TIA”) as in effect on the date on which the Indenture is qualified under the TIA. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and the Holders (as defined in the Indenture) are referred to the Indenture and, from the date on which the Indenture is qualified under the TIA, the TIA for a statement of such terms and provisions; in the event of any conflict between this Note and the Indenture, the terms of the Indenture shall govern.

The Notes are unsecured senior obligations of the Issuer. This Note is one of the Exchange Notes referred to in the Indenture. The Notes include the Initial Notes and any Exchange Notes issued in exchange for Initial Notes pursuant to the Indenture. The Initial Notes and any Exchange Notes are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Issuer and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of the Issuer and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make asset sales. The Indenture also imposes limitations on the ability of the Issuer and any Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest, on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Guarantors have, jointly and severally, unconditionally guaranteed the Guaranteed Obligations on an unsecured senior basis on the terms set forth in the Indenture.

## 5. Optional Redemption

Except as set forth in the following two paragraphs and in Section 3.09 of the Indenture, the Notes shall not be redeemable at the option of the Issuer prior to December 15, 2017. Thereafter, the Notes shall be redeemable at the option of the Issuer, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' notice mailed by first-class mail to each Holder's registered address, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and additional interest, if any, to the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on December 15 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2017	103.313%
2018	102.208%
2019	101.104%
2020 and thereafter	100.000%

In addition, prior to December 15, 2017, the Issuer may redeem the Notes, at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and additional interest, if any, to the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or prior to December 15, 2015, the Issuer may redeem in the aggregate up to 35% of the aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) with the net cash proceeds of one or more Equity Offerings by the Issuer or by any Parent of the Issuer, in each case, to the extent the net cash proceeds thereof are contributed to the common equity capital of the Issuer or used to purchase Capital Stock (other than Disqualified Stock) of the Issuer from it, or from the cash contribution of equity capital to the Issuer, at a redemption price equal to 106.625% of the principal amount thereof, plus accrued and unpaid interest and additional interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided, however, that at least 65% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) must remain outstanding after each such redemption; and provided, further, that such redemption shall occur within 90 days after the date on which any such Equity Offering or cash contribution of equity capital to the Issuer is consummated upon not less than 30 nor more than 60 days' notice mailed to each Holder of Notes being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Notice of any redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, in the case of any Equity Offering, completion of an Equity Offering.

#### 6. Sinking Fund

The Notes are not subject to any mandatory sinking fund.

#### 7. Notice of Redemption

Notice of redemption will be mailed by first-class mail at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at his, her or its registered address. Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

#### 8. Repurchase of Notes at the Option of Holders upon Change of Control and Asset Sales

Upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to require the Issuer to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Issuer will be required to offer to purchase Notes upon the occurrence of certain events.

#### 9. Denominations; Transfer; Exchange

The Notes are in registered form, without coupons, in denominations of \$2,000 and whole multiples of \$1,000. A Holder shall register the transfer of or exchange of Notes in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Notes for a period of 15 days prior to a selection of Notes to be redeemed.

#### 10. Persons Deemed Owners

The registered Holder of this Note shall be treated as the owner of it for all purposes.

#### 11. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Issuer at its written request, subject to any abandoned property law. After any such payment, the Holders entitled to the money must look to the Issuer for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

#### 12. Discharge and Defeasance

Subject to certain conditions, the Issuer at any time may terminate some of or all its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations sufficient in the opinion of a firm of independent certified public accountants for the payment of principal of, and interest on the Notes to redemption, or maturity, as the case may be.

#### 13. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Notes (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Issuer and the Trustee may amend the Indenture or the Notes: (i) to cure any ambiguity, omission, defect or inconsistency, (ii) to comply with Article 5 of the Indenture, (iii) to provide for uncertificated Notes in addition to or in place of certificated Notes; provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code, (iv) to add Guarantees with respect to the Notes or to secure the Notes, (v) to add to the covenants of the Issuer or any Parent of the Issuer for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Parent of the Issuer, (vi) to comply with any requirement of the SEC in connection with the qualification of the Indenture under the TIA, (vii) to effect any provision of the Indenture (including to release any Guarantees in accordance with the terms of the Indenture), (viii) to make any change that does not adversely affect the rights of any Holder, (ix) to provide for the issuance of the Exchange Notes or Additional Notes or (x) to release the Guarantee of any Parent of the Issuer.

#### 14. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes, in each case, by notice to the Issuer, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. If an Event of Default relating to certain events of

bankruptcy, insolvency or reorganization of the Issuer occurs, the principal of, premium, if any, and interest on all the Notes shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Notes unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding Notes make a written request to the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or, subject to Section 7.01 of the Indenture, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

#### 15. Trustee Dealings with the Issuer

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee.

#### 16. No Recourse Against Others

No director, officer, employee, incorporator or holder of any Equity Interests in the Issuer (other than Holdings to the extent of its obligations as a Guarantor) or any Parent of the Issuer, as such, shall have any liability for any obligations of the Issuer under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability.

17. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. Governing Law

**THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, AND FOR THE AVOIDANCE OF DOUBT, THE APPLICABILITY OF ARTICLES 86 TO 94-8 OF THE AMENDED LUXEMBOURG LAW ON COMMERCIAL COMPANIES SHALL BE EXCLUDED.**

20. CUSIP Numbers, ISINs and Common Codes

The Issuer has caused CUSIP numbers and ISINs to be printed on the Notes and has directed the Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

2. We understand that the Notes have not been registered under the Securities Act and, unless so registered, may not be sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing Notes to offer, sell or otherwise transfer such Notes prior to the date that is one year

after the later of the date of original issue and the last date on which the Issuer or any affiliate of the Issuer was the owner of such Notes (or any predecessor thereto) (the "Resale Restriction Termination Date") only (a) to the Issuer, (b) pursuant to a registration statement that has been declared effective under the Securities Act, (c) in a transaction complying with the requirements of Rule 144A under the Securities Act ("Rule 144A"), to a person we reasonably believe is a qualified institutional buyer under Rule 144A (a "QIB") that is purchasing for its own account or for the account of a QIB and to whom notice is given that the transfer is being made in reliance on Rule 144A, (d) pursuant to offers and sales that occur outside the United States within the meaning of Regulation S under the Securities Act, (e) to an institutional "accredited investor" within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act that is purchasing for its own account or for the account of such an institutional "accredited investor," or (f) pursuant to any other available exemption from the registration requirements of the Securities Act, subject in each of the foregoing cases to any requirement of law that the disposition of our property or the property of such investor account or accounts be at all times within our or their control and in compliance with any applicable state Notes laws. The foregoing restrictions on resale will not apply subsequent to the Resale Restriction Termination Date. If any resale or other transfer of the Notes is proposed to be made pursuant to clause (e) above prior to the Resale Restriction Termination Date, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Issuer and the Trustee, which shall provide, among other things, that the transferee is an institutional "accredited investor" within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act and that it is acquiring such Notes for investment purposes and not for distribution in violation of the Securities Act. Each purchaser acknowledges that the Issuer and the Trustee reserve the right prior to the offer, sale or other transfer prior to the Resale Restriction Termination Date of the Notes pursuant to clause (d), (e) or (f) above to require the delivery of an opinion of counsel, certifications or other information satisfactory to the Issuer and the Trustee.

## 2. Exchange Offer

If on the 366th day following the Issue Date, such Notes are not Freely Tradable without a restrictive legend as a result of (i) Intelsat S.A. failing to timely file reports pursuant to the Exchange Act (as required by Rule 144(c)(1) and (2) of the Securities Act), (ii) an affiliate of the Notes Issuer entering the chain of ownership of the Notes, or (iii) a change in law, regulation or interpretation by the SEC or DTC, the result of which would prohibit the removal of the restrictive legend on or prior to the 365th day following the Issue Date, then with respect to such Notes:

(a) Unless the Exchange Offer would violate applicable law or any applicable interpretation of the staff of the SEC, the Notes Issuer shall use its commercially reasonable efforts to file with the SEC (within such time as to comply with the requirements of the last sentence of this paragraph) a Registration Statement (the “Exchange Offer Registration Statement”) on an appropriate registration form with respect to a registered offer (the “Exchange Offer”) to exchange any and all of the Registrable Notes for a like aggregate principal amount of debt securities of the Notes Issuer (the “Exchange Notes”), that are identical in all material respects to the Notes, except that (i) the Exchange Notes shall contain no restrictive legend thereon, (ii) subject to compliance herewith, the Exchange Notes shall not be subject to any increase in annual interest rate as set forth in Section 4(a) hereof and (iii) interest thereon shall accrue from the last date on which interest was paid on the Notes or, if no such interest has been paid, from the Issue Date, and which are entitled to the benefits of the Indenture or a trust indenture which is identical in all material respects to the Indenture (other than such changes to the Indenture or any such identical trust indenture as are necessary to comply with the TIA) and which, in either case, has been qualified under the TIA. The Exchange Offer shall comply with all applicable tender offer rules and regulations under the Exchange Act and other applicable laws. The Notes Issuer shall (x) use its commercially reasonable efforts to cause the Exchange Offer Registration Statement to be declared effective under the Securities Act; (y) keep the Exchange Offer open for at least 20 Business Days (or longer if required by applicable law) after the date that notice of the Exchange Offer is mailed to Holders; and (z) use its commercially reasonable efforts to consummate the Exchange Offer within 365 days of the one-year anniversary of the Issue Date of the Notes (or if such 365th day is not a Business Day, the next succeeding Business Day); provided, however, that the Notes Issuer shall not be required to consummate such Exchange Offer if all the Notes are Freely Tradable.

Each Holder (including, without limitation, each Participating Broker-Dealer) who participates in the Exchange Offer will be required to represent to the Notes Issuer in writing (which may be contained in the applicable letter of transmittal) that: (i) any Exchange Notes acquired in exchange for Registrable Notes tendered are being acquired in the ordinary course of business of the Person receiving such Exchange Notes, whether or not such recipient is such Holder itself; (ii) at the time of the commencement or consummation of the Exchange Offer neither such Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Notes from such Holder has an arrangement or understanding with any Person to participate in the distribution of the Exchange Notes in violation of the provisions of the Securities Act; (iii) neither the Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Notes from such Holder is an "affiliate" (as defined in Rule 405) of any Issuer or, if it is an affiliate of any Issuer, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable and will provide information to be included in the Shelf Registration Statement in accordance with Section 5 hereof in order to have its Notes included in the Shelf Registration Statement and benefit from the provisions regarding Additional Interest in Section 4 hereof; (iv) neither such Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Notes from such Holder is engaging in or intends to engage in a distribution of the Exchange Notes; (v) neither the Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Notes from such Holder is prohibited by any law or policy of the SEC from participating in the Exchange Offer; and (vi) if such Holder is a Participating Broker-Dealer, such Holder has acquired the Registrable Notes as a result of market-making activities or other trading activities and that it will comply with the applicable provisions of the Securities Act (including, but not limited to, the prospectus delivery requirements thereunder).

Upon consummation of the Exchange Offer in accordance with this Section 2, the provisions of this Agreement shall continue to apply, mutatis mutandis, solely with respect to Registrable Notes that are Private Exchange Notes, Exchange Notes as to which Section 2(c)(iv) is applicable and Exchange Notes held by Participating Broker-Dealers; provided, however, that the Notes Issuer shall have no further obligation to register Registrable Notes, or file any Registration Statement in respect thereof, (other than Private Exchange Notes and Exchange Notes as to which clause 2(c)(iv) hereof applies) pursuant to this Agreement.

(b) The Notes Issuer shall include within the Prospectus contained in the Exchange Offer Registration Statement a section entitled "Plan of Distribution," reasonably acceptable to the Initial Purchasers, which shall contain a summary statement of the positions

taken or policies made by the staff of the SEC with respect to the potential “underwriter” status of any broker-dealer that is the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act) of Exchange Notes received by such broker-dealer in the Exchange Offer (a “Participating Broker-Dealer”), whether such positions or policies have been publicly disseminated by the staff of the SEC or such positions or policies represent the prevailing views of the staff of the SEC. Such “Plan of Distribution” section shall also expressly permit, to the extent permitted by applicable policies and regulations of the SEC, the use of the Prospectus by all Persons subject to the prospectus delivery requirements of the Securities Act, including, to the extent permitted by applicable policies and regulations of the SEC, all Participating Broker-Dealers, and include a statement describing the means by which Participating Broker-Dealers may resell the Exchange Notes in compliance with the Securities Act.

The Notes Issuer shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the Prospectus contained therein in order to permit such Prospectus to be lawfully delivered by all Persons subject to the prospectus delivery requirements of the Securities Act for such period of time as is necessary to comply with applicable law in connection with any resale of the Exchange Notes; provided, however, that such period shall not be required to exceed 90 days or such longer period if extended pursuant to the last paragraph of Section 5 hereof (the “Applicable Period”).

If, prior to consummation of an Exchange Offer, the Initial Purchasers hold any Notes acquired by them that have the status of an unsold allotment in the initial distribution, the Notes Issuer, upon the request of the Initial Purchasers, shall simultaneously with the delivery of the Exchange Notes issue and deliver to the Initial Purchasers, in exchange (the “Private Exchange”) for such Notes held by any such Holder, a like principal amount of notes (the “Private Exchange Notes”) of the Notes Issuer, that are identical in all material respects to the Exchange Notes except for the placement of a restrictive legend on such Private Exchange Notes. The Private Exchange Notes shall be issued pursuant to the same indenture as the Exchange Notes and bear the same CUSIP number as the Exchange Notes if permitted by the CUSIP Service Bureau.

In connection with the Exchange Offer, the Notes Issuer shall:

- (1) mail, or cause to be mailed, to each Holder of record entitled to participate in the Exchange Offer a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
- (2) use its commercially reasonable efforts to keep the Exchange Offer open for not less than 20 Business Days after the date that notice of the Exchange Offer is mailed to Holders (or longer if required by applicable law);

(3) utilize the services of a depositary for the Exchange Offer with an address in the Borough of Manhattan, The City of New York;

(4) permit Holders to withdraw tendered Notes at any time prior to the close of business, New York time, on the last Business Day on which the Exchange Offer remains open; and

(5) otherwise comply in all material respects with all applicable laws, rules and regulations.

As soon as practicable after the close of the Exchange Offer and the Private Exchange, if any, the Notes Issuer shall:

(1) accept for exchange all Registrable Notes validly tendered and not validly withdrawn pursuant to the Exchange Offer and the Private Exchange, if any;

(2) deliver to the Trustee for cancellation all Registrable Notes so accepted for exchange; and

(3) cause the Trustee to authenticate and deliver promptly to each Holder of Notes, a principal amount of Exchange Notes or Private Exchange Notes, as the case may be, equal in principal amount to the Notes of such Holder so accepted for exchange; provided that, in the case of any Notes held in global form by a depositary, authentication and delivery to such depositary of one or more replacement Notes in global form in an equivalent principal amount thereto for the account of such Holders in accordance with the Indenture shall satisfy such authentication and delivery requirement.

The Exchange Offer and the Private Exchange shall not be subject to any conditions, other than that (i) the Exchange Offer or Private Exchange, as the case may be, does not violate applicable law or any applicable interpretation of the staff of the SEC; (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Issuers to proceed with the Exchange Offer or the Private Exchange, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Issuers; and (iii) all governmental approvals shall have been obtained, which approvals the Issuers deem necessary for the consummation of the Exchange Offer or Private Exchange.

The Exchange Notes and the Private Exchange Notes shall be issued under (i) the Indenture or (ii) an indenture or indentures identical in all material respects to the Indenture and which, in either case, have been qualified under the TIA or are exempt from such qualification and shall provide that the Exchange Notes shall not be subject to the transfer restrictions set forth in the Indenture. The Indenture or such indentures shall provide

that the Exchange Notes, the Private Exchange Notes and the Notes outstanding shall vote and consent together on all matters as one class and that none of the Exchange Notes, the Private Exchange Notes or the Notes outstanding will have the right to vote or consent as a separate class on any matter.

(c) If, (i) because of any change in law or in currently prevailing interpretations of the staff of the SEC, any Issuer determines upon advice of its outside counsel that it is not permitted to effect the Exchange Offer, (ii) the Exchange Offer is not consummated within 365 days of the one-year anniversary of the Issue Date, (iii) the Initial Purchasers or any other holder of Private Exchange Notes so requests in writing to the Notes Issuer at any time after the consummation of the Exchange Offer or (iv) in the case of any Holder that participates in the Exchange Offer, such Holder does not receive Exchange Notes on the date of the exchange that may be sold without restriction under U.S. state and federal securities laws (other than due solely to the status of such Holder as an affiliate of any Issuer within the meaning of the Securities Act and other than any Participating Broker-Dealer by virtue of any prospectus delivery requirement) and so notifies the Notes Issuer prior to the 20th Business Day following consummation of the Exchange Offer of such restrictions, in the case of each of clauses (i) to and including (iv) of this sentence, then the Notes Issuer shall promptly deliver to the Holders and the Trustee written notice thereof (the "Shelf Notice") and the Notes Issuer shall file a Shelf Registration pursuant to Section 3 hereof; provided, however, that no Holder (other than an Initial Purchaser) shall be entitled to have the Notes held by it covered by such Shelf Registration unless such Holder agrees in writing to be bound by all of the provisions of this Agreement applicable to such Holder.

### 3. Shelf Registration

If at any time a Shelf Notice is delivered as contemplated by Section 2(c) hereof, then:

(a) Shelf Registration. The Issuers shall as promptly as practicable file with the SEC a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 covering all of the Registrable Notes (the "Initial Shelf Registration"). The Notes Issuer shall use its commercially reasonable efforts to file with the SEC the Initial Shelf Registration. The Initial Shelf Registration shall be on Form S-1 or another appropriate form permitting registration of the Registrable Notes for resale by Holders in the manner or manners designated by them (including, without limitation, one or more Underwritten Offerings). The Notes Issuer shall not permit any securities other than the Registrable Notes to be included in the Initial Shelf Registration or any Subsequent Shelf Registration (as defined below).

The Notes Issuer shall use its commercially reasonable efforts to cause the Shelf Registration to be declared effective under the Securities Act within 365 days of the one-year anniversary of the Issue Date and to keep the Initial Shelf Registration

continuously effective under the Securities Act until the date that is three years from the Issue Date or such shorter period ending when all Registrable Notes covered by the Initial Shelf Registration have been sold in the manner set forth and as contemplated in the Initial Shelf Registration or, if applicable, a Subsequent Shelf Registration (the “Effectiveness Period”); provided, however, that the Effectiveness Period in respect of the Initial Shelf Registration shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the Securities Act and as otherwise provided herein and shall be subject to reduction to the extent that the Notes, Exchange Notes or Private Exchange Notes, as applicable, covered by the Shelf Registration Statement become eligible for resale, without regard to volume, manner of sale or other restrictions contained in Rule 144. Notwithstanding anything to the contrary in this Agreement, at any time, the Notes Issuer may delay the filing of any Initial Shelf Registration Statement or delay or suspend the effectiveness thereof, for a reasonable period of time, but not in excess of an aggregate of 90 days in any calendar year (a “Shelf Suspension Period”), if the board of directors of the Notes Issuer determines reasonably and in good faith that the filing of any such Initial Shelf Registration Statement or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the board of directors of the Notes Issuer, would be detrimental to the Notes Issuer (or to any of the Guarantors, if such Guarantor’s guarantee of the Notes is then in effect) if so disclosed or would otherwise materially adversely affect a financing, acquisition, disposition, merger or other material transaction.

(b) Withdrawal of Stop Orders; Subsequent Shelf Registrations. If the Initial Shelf Registration or any Subsequent Shelf Registration ceases to be effective for any reason at any time during the Effectiveness Period (other than during a Shelf Suspension Period or because of the sale of all of the Notes registered thereunder), the Notes Issuer shall use its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof, and in any event shall within 30 days of such cessation of effectiveness amend such Shelf Registration Statement in a manner to obtain the withdrawal of the order suspending the effectiveness thereof, or file an additional Shelf Registration Statement pursuant to Rule 415 covering all of the Registrable Notes covered by and not sold under the Initial Shelf Registration or an earlier Subsequent Shelf Registration (each, a “Subsequent Shelf Registration”). If a Subsequent Shelf Registration is filed, the Notes Issuer, other than during a Shelf Suspension Period, shall use its commercially reasonable efforts to cause the Subsequent Shelf Registration to be declared effective under the Securities Act as soon as practicable after such filing and to keep such subsequent Shelf Registration continuously effective for a period equal to the number of days in the Effectiveness Period less the aggregate number of days during which the Initial Shelf Registration and any Subsequent Shelf Registration was previously continuously effective. As used herein the term “Shelf Registration” means the Initial Shelf Registration and any Subsequent Shelf Registration.

(c) Supplements and Amendments. The Notes Issuer shall promptly supplement and amend the Shelf Registration if required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration, if required by the Securities Act, or if reasonably requested by the Holders of a majority in aggregate principal amount of the Registrable Notes (or their counsel) covered by such Registration Statement with respect to the information included therein with respect to one or more of such Holders, or by any underwriter of such Registrable Notes with respect to the information included therein with respect to such underwriter.

#### 4. Additional Interest

(a) The Notes Issuer and the Initial Purchasers agree that the Holders will suffer damages if the Notes Issuer fails to fulfill its obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, the Notes Issuer agrees to pay, as liquidated damages, additional interest on the Registrable Notes ("Additional Interest") under the circumstances and to the extent set forth below (each of which shall be given independent effect):

(i) if neither (x) if required, the Exchange Offer is completed, nor (y) if required, the Shelf Registration Statement is declared effective, within, in each case, 365 days of the one-year anniversary of the Issue Date, then Additional Interest shall accrue on the Registrable Notes at a rate of 0.25% per annum on the principal amount of such Registrable Notes for the first 90 days from and including such specified date and increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period thereafter; provided that Additional Interest in the aggregate under this Section 4 may not exceed 1.00% per annum of the principal amount of such Registrable Notes; or

(ii) notwithstanding that the Notes Issuer has consummated or will consummate an Exchange Offer, if the Notes Issuer is required to file a Shelf Registration Statement and such Shelf Registration Statement is not declared effective on or prior to the 365th day following the date the filing of such Shelf Registration Statement is required or requested pursuant to Section 3(a) hereof, then Additional Interest shall accrue on the Registrable Notes at a rate of 0.25% per annum of the principal amount of such Registrable Notes for the first 90 days from and including such specified date and increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period thereafter; provided that Additional Interest in the aggregate under this Section 4 may not exceed 1.00% per annum of the principal amount of such Registrable Notes; or

(iii) if the Shelf Registration Statement required by Section 3(a) of this Agreement has been declared effective but thereafter ceases to be effective at any time at which it is required to be effective under this Agreement and such failure to remain effective exists for more than the number of days permitted by the second paragraph of Section 3(a) hereof, then commencing on the first day following the date on which such Shelf Registration Statement ceases to be effective that exceeds the number of days permitted by the second paragraph of Section 3(a) hereof, Additional Interest shall accrue on the Registrable Notes at a rate of 0.25% per annum of the principal amount of such Notes for the first 90 days from and including such day, as applicable, following the date on which such Shelf Registration Statement ceases to be effective and increasing by an additional 0.25% per annum at the beginning of each subsequent 90-day period thereafter; provided that Additional Interest in the aggregate under this Section 4 may not exceed 1.00% per annum of the principal amount of such Registrable Notes;

provided, however, that upon (1) the completion of the Exchange Offer (in the case of paragraph (i) above), (2) the effectiveness of the Shelf Registration Statement (in the case of paragraph (ii) above) and (3) the effectiveness of the Shelf Registration Statement which had ceased to remain effective (in the case of paragraph (iii) above), Additional Interest shall cease to accrue.

(b) The Notes Issuer shall notify the Trustee within one Business Day after each and every date on which an event occurs in respect of which Additional Interest is required to be paid (an "Event Date") and within one Business Day after such Additional Interest ceases to accrue. Any amounts of Additional Interest due pursuant to (a)(i), (a)(ii) or (a)(iii) of this Section 4 will be payable in cash semiannually on the payment dates stated in the Indenture (to the holders of record on the June 1 and December 1 immediately preceding such dates), commencing with the first such date occurring after any such Additional Interest commences to accrue. The amount of Additional Interest will be determined by multiplying the applicable Additional Interest rate by the principal amount of the Registrable Notes, multiplied by a fraction, the numerator of which is the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360 day year comprised of twelve 30 day months and, in the case of a partial month, the actual number of days elapsed), and the denominator of which is 360.

#### 5. Registration Procedures

In connection with the filing of any Registration Statement pursuant to Section 2 or 3 hereof, the Notes Issuer shall effect such registrations to permit the sale of the securities covered thereby in accordance with the intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Notes Issuer hereunder, the Notes Issuer shall (other than during any Shelf Suspension Period):

(a) Prepare and file with the SEC a Registration Statement or Registration Statements as prescribed by Section 2 or 3 hereof, and use its commercially reasonable efforts to cause each such Registration Statement to become effective and remain effective as provided herein; provided, however, that if (1) such filing is pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Notes Issuer has received prior written notice that it will be a Participating Broker-Dealer in the Exchange Offer, before filing any Registration Statement or Prospectus or any amendments or supplements thereto, the Notes Issuer shall furnish to and afford the Holders of the Registrable Notes covered by such Registration Statement (with respect to a Registration Statement filed pursuant to Section 3 hereof) or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel and the managing underwriters, if any, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed (in each case at least two Business Days prior to such filing).

(b) Prepare and file with the SEC such amendments and post-effective amendments to each Shelf Registration Statement or Exchange Offer Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period, the Applicable Period or until consummation of the Exchange Offer, as the case may be; cause the related Prospectus to be supplemented by any prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424; and comply with the provisions of the Securities Act and the Exchange Act applicable to it with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so supplemented and with respect to the subsequent resale of any securities being sold by an Participating Broker-Dealer covered by any such Prospectus. The Notes Issuer shall be deemed not to have used its commercially reasonable efforts to keep a Registration Statement effective if the Notes Issuer voluntarily takes any action that would result in selling Holders of the Registrable Notes covered thereby or Participating Broker-Dealers seeking to sell Exchange Notes not being able to sell such Registrable Notes or such Exchange Notes during that period unless such action is required by applicable law or permitted by this Agreement.

(c) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable

Period relating thereto from whom the Notes Issuer has received written notice that it will be a Participating Broker-Dealer in the Exchange Offer, notify the selling Holders of Registrable Notes (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their counsel and the managing underwriters, if any, promptly (but in any event within one Business Day), and confirm such notice in writing, (i) when a Prospectus or any prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act (including in such notice a written statement that any Holder may, upon request, obtain, at the sole expense of the Notes Issuer, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference, if any, and exhibits), (ii) of the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for that purpose, (iii) if at any time when a prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Notes or resales of Exchange Notes by Participating Broker-Dealers the representations and warranties of the Notes Issuer contained in any agreement (including any underwriting agreement) contemplated by Section 5(n) hereof cease to be true and correct in all material respects, (iv) of the receipt by the Notes Issuer of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Notes or the Exchange Notes to be sold by any Participating Broker-Dealer for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (v) of the happening of any event, the existence of any condition or any information becoming known that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in or amendments or supplements to such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (vi) of the Notes Issuer's determination that a post-effective amendment to a Registration Statement would be appropriate.

(d) Use its commercially reasonable efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Notes or the Exchange Notes to be sold by any Participating Broker-Dealer, for sale in any jurisdiction, and, if any such order is issued, to use its commercially reasonable efforts to obtain the withdrawal of any such order at the earliest practicable moment.

(e) If a Shelf Registration is filed pursuant to Section 3 and if requested during the Effectiveness Period by the managing underwriter or underwriters (if any), the Holders of a majority in aggregate principal amount of the Registrable Notes being sold in connection with an Underwritten Offering or any Participating Broker-Dealer, give due and prompt consideration to (i) incorporating in a prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters (if any), such Holders, any Participating Broker-Dealer or counsel for any of them reasonably request to be included therein, (ii) making all required filings of such prospectus supplement or such post-effective amendment as soon as practicable after the Notes Issuer has received notification of the matters to be incorporated in such prospectus supplement or post-effective amendment, and (iii) supplementing or making amendments to such Registration Statement.

(f) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, furnish to each selling Holder of Registrable Notes (with respect to a Registration Statement filed pursuant to Section 3 hereof) and to each such Participating Broker-Dealer who so requests in writing (with respect to any such Registration Statement) and to their respective counsel and each managing underwriter, if any, at the sole expense of the Notes Issuer, one conformed copy of the Registration Statement or Registration Statements and each post-effective amendment thereto, including financial statements and schedules, and, if requested, all documents incorporated or deemed to be incorporated therein by reference, if any, and all exhibits.

(g) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, deliver to each selling Holder of Registrable Notes (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, their respective counsel, and the underwriters, if any, at the sole expense of the Notes Issuer, as many copies of the Prospectus or Prospectuses (including each form of

preliminary prospectus) and each amendment or supplement thereto and any documents incorporated by reference therein, if any, as such Persons may reasonably request in writing; and, subject to the last paragraph of this Section 5, the Notes Issuer hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers, if any, in connection with the offering and sale of the Registrable Notes covered by, or the sale by Participating Broker-Dealers of the Exchange Notes pursuant to, such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Notes or any delivery of a Prospectus contained in the Exchange Offer Registration Statement by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use its commercially reasonable efforts to register or qualify, and to cooperate with the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, the managing underwriter or underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Notes for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer, or the managing underwriter or underwriters reasonably request in writing; provided, however, that where Exchange Notes held by Participating Broker-Dealers or Registrable Notes are offered other than through an Underwritten Offering, the Notes Issuer agrees to cause its counsel to perform Blue Sky investigations and file registrations and qualifications required to be filed pursuant to this Section 5(h), keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Exchange Notes held by Participating Broker-Dealers or the Registrable Notes covered by the applicable Registration Statement; provided, further, that the Notes Issuer shall not be required to (A) qualify generally to do business in any jurisdiction where it is not then so qualified, (B) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or (C) subject itself to taxation in any such jurisdiction where it is not then so subject.

(i) If a Shelf Registration is filed pursuant to Section 3 hereof, cooperate with the selling Holders of Registrable Notes and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates for the Registrable Notes to be sold, which certificates shall not bear any restrictive legends and shall be in a form eligible for deposit with DTC; and enable such Registrable Notes to be in such denominations (subject to applicable requirements contained in the Indenture) and registered in such names as the managing underwriter or underwriters, if any, or Holders may request.

(j) Use its commercially reasonable efforts to cause the Registrable Notes covered by the Registration Statement to be registered with or approved by such other U.S. federal or state governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter or underwriters, if any, to consummate the disposition of such Registrable Notes, except as may be required solely as a consequence of the nature of such selling Holder's business, in which case the Notes Issuer will cooperate in all respects with the filing of such Registration Statement and the granting of such approvals.

(k) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, upon the occurrence of any event contemplated by paragraph 5(c)(v) or 5(c)(vi) hereof, as promptly as practicable prepare and (subject to Section 5(a) hereof) file with the SEC, at the sole expense of the Notes Issuer, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Notes being sold thereunder (with respect to a Registration Statement filed pursuant to Section 3 hereof) or to the purchasers of the Exchange Notes to whom such Prospectus will be delivered by a Participating Broker-Dealer (with respect to any such Registration Statement), any such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) Use its commercially reasonable efforts to cause the Registrable Notes covered by a Registration Statement or the Exchange Notes, as the case may be, to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Registrable Notes covered by such Registration Statement or the Exchange Notes, as the case may be, or the managing underwriter or underwriters, if any.

(m) Prior to the effective date of the first Registration Statement relating to the Registrable Notes, (i) provide the Trustee with certificates for the Registrable Notes in a form eligible for deposit with DTC and (ii) provide a CUSIP number for the Registrable Notes.

(n) In connection with any Underwritten Offering of Registrable Notes pursuant to a Shelf Registration, if requested by the managing underwriter or underwriters, enter into an underwriting agreement as is customary in Underwritten Offerings of debt securities similar to the Notes, and take all such other actions as are reasonably requested by the managing underwriter or underwriters in order to expedite or facilitate the registration or the disposition of such Registrable Notes and, in such connection, (i) make such representations and warranties to, and covenants with, the underwriters with respect to the business of the Issuers (including any acquired business, properties or entity, if applicable), and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, as are customarily made by issuers to underwriters in Underwritten Offerings of debt securities similar to the Notes, and confirm the same in writing if and when requested; (ii) obtain the written opinions of counsel to the Notes Issuer, and written updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters, addressed to the underwriters covering the matters customarily covered in opinions reasonably requested in Underwritten Offerings; (iii) obtain “cold comfort” letters and updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters from the independent certified public accountants of the Notes Issuer or a Guarantor, (and, if necessary, any other independent certified public accountants of the Notes Issuer or a Guarantor, or of any business acquired by the Notes Issuer or a Guarantor, for which financial statements and financial data are, or are required to be, included or incorporated by reference in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in “cold comfort” letters in connection with Underwritten Offerings of debt securities similar to the Notes; and (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures no less favorable to the sellers and underwriters, if any, than those set forth in Section 7 hereof (or such other provisions and procedures reasonably acceptable to Holders of a majority in aggregate principal amount of Registrable Notes covered by such Registration Statement and the managing underwriter or underwriters or agents, if any). The above shall be done at each closing under such underwriting agreement, or as and to the extent required thereunder.

(o) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, make available for inspection by the Initial Purchaser, any selling Holder of such Registrable Notes being sold (with respect to a Registration Statement filed pursuant to Section 3 hereof), or each such Participating Broker-Dealer, as the case

may be, any underwriter participating in any such disposition of Registrable Notes, if any, and any attorney, accountant or other agent retained by any such selling Holder or each such Participating Broker-Dealer (with respect to any such Registration Statement), as the case may be, or underwriter (any such Initial Purchasers, Holders, Participating Broker-Dealers, underwriters, attorneys, accountants or agents, collectively, the “Inspectors”), upon written request, at the offices where normally kept, during reasonable business hours, all pertinent financial and other records, pertinent corporate documents and instruments of the Issuers and subsidiaries of the Issuers (collectively, the “Records”), as shall be reasonably necessary to enable them to exercise any applicable due diligence responsibilities, and cause the officers, directors and employees of the Notes Issuer and any of its subsidiaries to supply all information (“Information”) reasonably requested by any such Inspector in connection with such due diligence responsibilities. Each Inspector shall agree in writing that it will keep the Records and Information confidential and that it will not disclose any of the Records or Information that any of the Issuers determine, in good faith, to be confidential and notifies the Inspectors in writing are confidential unless (i) the disclosure of such Records or Information is necessary to avoid or correct a misstatement or omission in such Registration Statement or Prospectus, (ii) the release of such Records or Information is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (iii) disclosure of such Records or Information is necessary or advisable, in the opinion of counsel for any Inspector, in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, relating to, or involving this Agreement or the Purchase Agreement, or any transactions contemplated hereby or thereby or arising hereunder or thereunder, or (iv) the information in such Records or Information has been made generally available to the public other than by an Inspector or an “affiliate” (as defined in Rule 405) thereof; provided, however, that prior notice shall be provided as soon as practicable to the Issuers of the potential disclosure of any information by such Inspector pursuant to clauses (i) or (ii) of this sentence to permit the Issuers to obtain a protective order (or waive the provisions of this paragraph (o)) and that such Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information (if practicable) to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector.

(p) Provide an indenture trustee for the Registrable Notes or the Exchange Notes, as the case may be, and cause the Indenture or the trust indenture provided for in Section 2(a) hereof, as the case may be, to be qualified under the TIA not later than the effective date of the first Registration Statement relating to the Registrable Notes; and in connection therewith, cooperate with the trustee under any such indentures and the Holders of the Registrable Notes, to effect such changes (if any) to such indentures as may be required for such indentures to be so qualified in accordance with the terms

of the TIA; and execute, and use its commercially reasonable efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable such indenture to be so qualified in a timely manner.

(q) Comply with all applicable rules and regulations of the SEC and make generally available to their securityholders with regard to any applicable Registration Statement, a consolidated earning statement satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any fiscal quarter (or 90 days after the end of any 12-month period if such period is a fiscal year) (i) commencing at the end of any fiscal quarter in which Registrable Notes are sold to underwriters in a firm commitment or best efforts Underwritten Offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Notes Issuer, after the effective date of a Registration Statement, which statements shall cover said 12-month periods.

(r) Upon consummation of the Exchange Offer or a Private Exchange, obtain an opinion of counsel to the Notes Issuer, in a form customary for underwritten transactions, addressed to the Trustee for the benefit of all Holders of Registrable Notes participating in the Exchange Offer or the Private Exchange, as the case may be, that the Exchange Notes or Private Exchange Notes, as the case may be, and the Indenture constitute legal, valid and binding obligations of the Notes Issuer, enforceable against the Notes Issuer in accordance with their respective terms, subject to customary or necessary exceptions and qualifications. If the Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Registrable Notes by Holders to the Notes Issuer (or to such other Person as directed by the Notes Issuer), in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be, the Notes Issuer shall mark, or cause to be marked, on such Registrable Notes that such Registrable Notes are being cancelled in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be; in no event shall such Registrable Notes be marked as paid or otherwise satisfied.

(s) Cooperate with each seller of Registrable Notes covered by any Registration Statement and each underwriter, if any, participating in the disposition of such Registrable Notes and their respective counsel in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc. ("FINRA").

(t) Use its commercially reasonable efforts to take all other steps necessary to effect the registration of the Exchange Notes and/or Registrable Notes covered by a Registration Statement contemplated hereby.

The Notes Issuer may require each seller of Registrable Notes as to which any registration is being effected to furnish to the Notes Issuer such information regarding such seller and the distribution of such Registrable Notes as the Notes Issuer may, from time to time, reasonably request. The Notes Issuer may exclude from such registration the Registrable Notes of any seller so long as such seller fails to furnish such information within a reasonable time after receiving such request. Each seller as to which any Shelf Registration is being effected agrees to furnish promptly to the Notes Issuer all information required to be disclosed in order to make the information previously furnished to the Notes Issuer by such seller not materially misleading.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Notes Issuer, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Notes Issuer, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder of Registrable Notes and each Participating Broker-Dealer agrees by its acquisition of such Registrable Notes or Exchange Notes to be sold by such Participating Broker-Dealer, as the case may be, that, upon actual receipt of any notice from the Notes Issuer of (a) the happening of any event of the kind described in Section 5(c)(ii), 5(c)(iv), 5(c)(v), or 5(c)(vi) hereof or (b) a Shelf Suspension Period, such Holder will forthwith discontinue disposition of such Registrable Notes covered by such Registration Statement or Prospectus or (only in the case of clause (a) of this paragraph) Exchange Notes to be sold by such Holder or Participating Broker-Dealer, as the case may be, until such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 5(k) hereof (in the case of clause (a) of this paragraph), or until it is advised in writing (the "Advice") by the Notes Issuer that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto. In the event that the Notes Issuer shall give any such notice, each of the Applicable Period and the Effectiveness Period shall be extended by the number of days during such periods from and including the date of the giving of such notice to and including the date when each seller of Registrable Notes covered by such Registration Statement or Exchange Notes to be sold by such Participating Broker-Dealer, as the case may be, shall have received (x) the copies of the supplemented or amended Prospectus contemplated by Section 5(k) hereof or (y) the Advice.

## 6. Registration Expenses

All fees and expenses incident to the performance of or compliance with this Agreement by the Issuers shall be borne by the Issuers, whether or not the Exchange Offer Registration Statement or any Shelf Registration Statement is filed or becomes effective or the Exchange Offer is consummated, including, without limitation, (i) all registration and filing fees (including, without limitation, (A) fees with respect to filings required to be made with FINRA in connection with an Underwritten Offering and (B) fees and expenses of compliance with state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel in connection with Blue Sky qualifications of the Registrable Notes or Exchange Notes and determination of the eligibility of the Registrable Notes or Exchange Notes for investment under the laws of such jurisdictions (x) where the holders of Registrable Notes are located, in the case of the Exchange Notes, or (y) as provided in Section 5(h) hereof, in the case of Registrable Notes or Exchange Notes to be sold by a Participating Broker-Dealer during the Applicable Period)), (ii) printing expenses, including, without limitation, expenses of printing certificates for Registrable Notes or Exchange Notes in a form eligible for deposit with DTC and of printing prospectuses if the printing of prospectuses is requested by the managing underwriter or underwriters, if any, by the Holders of a majority in aggregate principal amount of the Registrable Notes included in any Registration Statement or in respect of Registrable Notes or Exchange Notes to be sold by any Participating Broker-Dealer during the Applicable Period, as the case may be, (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Notes Issuer and, in the case of a Shelf Registration, reasonable fees and disbursements of one special counsel for all of the sellers of Registrable Notes selected by the Holders of a majority in aggregate principal amount of Registrable Notes covered by such Shelf Registration (exclusive of any counsel retained pursuant to Section 7 hereof), (v) fees and disbursements of all independent certified public accountants referred to in Section 5(n)(iii) hereof (including, without limitation, the expenses of any "cold comfort" letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Notes Issuer desires such insurance, (vii) fees and expenses of all other Persons retained by the Notes Issuer, (viii) internal expenses of the Notes Issuer (including, without limitation, all salaries and expenses of officers and employees of the Notes Issuer performing legal or accounting duties), (ix) the expense of any annual audit, (x) any fees and expenses incurred in connection with the listing of the securities to be registered on any securities exchange, and the obtaining of a rating of the securities, in each case, if applicable and (xi) the expenses relating to printing, word processing and distributing all Registration Statements, underwriting agreements, indentures and any other documents necessary in order to comply with this Agreement. Except as set forth in the preceding sentence, each Holder shall pay all other expenses relating to the sale or disposition of such Holder's Notes, Exchange Notes or Private Exchange Notes, including without limitation, all underwriting discounts and commissions of any underwriters with respect to any Notes, Exchange Notes, or Private Exchange Notes sold by or on behalf of such Holder, if any.

## 7. Indemnification and Contribution.

(a) The Notes Issuer agrees to indemnify and hold harmless each Holder of Registrable Notes and each Participating Broker-Dealer selling Exchange Notes during the Applicable Period, and each Person, if any, who controls such Person or its affiliates within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, a “Participant”) against any losses, claims, damages or liabilities to which any Participant may become subject under the Securities Act, the Exchange Act or otherwise, insofar as any such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon:

(i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Notes Issuer shall have furnished any amendments or supplements thereto) or any preliminary prospectus; or

(ii) the omission or alleged omission to state, in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Notes Issuer shall have furnished any amendments or supplements thereto) or any preliminary prospectus or any other document or any amendment or supplement thereto, a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

and will reimburse, as incurred, the Participant for any legal or other expenses reasonably incurred by the Participant in connection with investigating, defending against or appearing as a third-party witness in connection with any such loss, claim, damage, liability or action; provided, however, the Notes Issuer will not be liable in any such case to the extent that any such loss, claim, damage, or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Notes Issuer shall have furnished any amendments or supplements thereto) or any preliminary prospectus or any amendment or supplement thereto in reliance upon and in conformity with written information relating to any Participant furnished to any of the Issuers by such Participant specifically for use therein. The indemnity provided for in this Section 7 will be in addition to any liability that the Notes Issuer may otherwise have to the indemnified parties. The Notes Issuer shall not be liable under this Section 7 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by the Notes Issuer, which consent shall not be unreasonably withheld.

(b) Each Participant, severally and not jointly, agrees to indemnify and hold harmless each Issuer, its respective directors, officers and each person, if any, who controls such Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any losses, claims, damages or liabilities to which such Issuer or any such director, officer or controlling person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement or Prospectus, any amendment or supplement thereto, or any preliminary prospectus, or (ii) the omission or the alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information concerning such Participant, furnished to any of the Issuers by the Participant, specifically for use therein; and subject to the limitation set forth immediately preceding this clause, will reimburse, as incurred, any reasonable legal or other expenses incurred by the Issuers or any such director, officer or controlling person in connection with investigating or defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability or action in respect thereof. The indemnity provided for in this Section 7 will be in addition to any liability that the Participants may otherwise have to the indemnified parties. The Participants shall not be liable under this Section 7 for any settlement of any claim or action effected without their consent, which shall not be unreasonably withheld.

(c) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action for which such indemnified party is entitled to indemnification under this Section 7, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 7, notify the indemnifying party of the commencement thereof in writing; but the omission to so notify the indemnifying party (i) will not relieve it from any liability under paragraph (a) or (b) above unless and to the extent such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraphs (a) and (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it and/or other

indemnified parties that are different from or additional to those available to the indemnifying party or (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after receipt by the indemnifying party of notice of the institution of such action, then, in each such case, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select one separate counsel to defend such action on behalf of such indemnified party or parties. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and approval by such indemnified party of counsel appointed to defend such action, the indemnifying party will not be liable to such indemnified party under this Section 7 for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof, unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that in connection with such action the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to local counsel) in any one action or separate but substantially similar actions in the same jurisdiction arising out of the same general allegations or circumstances, designated by Participants who sold a majority in interest of the Registrable Notes and Exchange Notes sold by all such Participants in the case of paragraph (a) of this Section 7 or the Issuers in the case of paragraph (b) of this Section 7, representing the indemnified parties under such paragraph (a) or paragraph (b), as the case may be, who are parties to such action or actions) or (ii) the indemnifying party has authorized in writing the employment of counsel for the indemnified party at the expense of the indemnifying party. All fees and expenses reimbursed pursuant to this paragraph (c) shall be reimbursed as they are incurred. After such notice from the indemnifying party to such indemnified party, the indemnifying party will not be liable for the costs and expenses of any settlement of such action effected by such indemnified party without the prior written consent of the indemnifying party (which consent shall not be unreasonably withheld), unless such indemnified party waived in writing its rights under this Section 7, in which case the indemnified party may effect such a settlement without such consent. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party, or indemnity could have been sought hereunder by any indemnified party, unless such settlement (A) includes an unconditional written release of the indemnified party, in form and substance reasonably satisfactory to the indemnified party, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to an admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In circumstances in which the indemnity agreement provided for in the preceding paragraphs of this Section 7 is unavailable to, or insufficient to hold harmless, an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect

thereof), each indemnifying party, in order to provide for just and equitable contribution, shall, in lieu of indemnifying such indemnified party, contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the offering of the Notes or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof). The relative benefits received by the Notes Issuer on the one hand and such Participant on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) of the Notes received by the Notes Issuer bear to the total net profit received by such Participant in connection with the sale of the Notes. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Notes Issuer on the one hand, or the Participants on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission, and any other equitable considerations appropriate in the circumstances. The parties agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the first sentence of this paragraph (d). Notwithstanding any other provision of this paragraph (d), no Participant shall be obligated to make contributions hereunder that in the aggregate exceed the total net profit received by such Participant in connection with the sale of the Notes, less the aggregate amount of any damages that such Participant has otherwise been required to pay by reason of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact, and no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph (d), each person, if any, who controls a Participant within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Participants, and each director of any Issuer, each officer of any Issuer and each person, if any, who controls any Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, shall have the same rights to contribution as the Issuers.

#### 8. Rule 144A

Each of the Issuers covenants and agrees that it will file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder in a timely manner in accordance with the requirements of the

Securities Act and the Exchange Act and, if at any time it is not required to file such reports, it will, upon the request of any Holder or beneficial owner of Registrable Notes, make available such information necessary to permit sales pursuant to Rule 144A. Each of the Issuers further covenants and agrees, for so long as any Registrable Notes remain outstanding that it will take such further action as any Holder of Registrable Notes may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Notes without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 under the Securities Act and Rule 144A.

#### 9. Underwritten Offerings

If any of the Registrable Notes covered by any Shelf Registration are to be sold in an Underwritten Offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Notes included in such offering and shall be consented to by the Notes Issuer (such consent not to be unreasonably withheld).

No Holder of Registrable Notes may participate in any Underwritten Offering hereunder unless such Holder (a) agrees to sell such Holder's Registrable Notes on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

#### 10. Miscellaneous

(a) No Inconsistent Agreements. The Notes Issuer has not entered, as of the date hereof, and the Notes Issuer shall not enter, after the date of this Agreement, into any agreement with respect to any of its securities that is inconsistent with the rights granted to the Holders of Registrable Notes in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the other issued and outstanding securities of the Notes Issuer under any such agreements.

(b) Adjustments Affecting Registrable Notes. The Notes Issuer shall not, directly or indirectly, take any action with respect to the Registrable Notes as a class that would adversely affect the ability of the Holders of Registrable Notes to include such Registrable Notes in a registration undertaken pursuant to this Agreement.

(c) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, otherwise than with the prior written consent of (I) the Issuers, and (II) (A) the Holders of not less than a majority in aggregate principal amount of

the then outstanding Registrable Notes and (B) in circumstances that would adversely affect the Participating Broker-Dealers, the Participating Broker-Dealers holding not less than a majority in aggregate principal amount of the Exchange Notes held by all Participating Broker-Dealers; provided, however, that Section 7 and this Section 10(c) may not be amended, modified or supplemented without the prior written consent of each Holder and each Participating Broker-Dealer (including any person who was a Holder or Participating Broker-Dealer of Registrable Notes or Exchange Notes, as the case may be, disposed of pursuant to any Registration Statement) affected by any such amendment, modification or supplement. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders of Registrable Notes whose securities are being sold pursuant to a Registration Statement and that does not directly or indirectly affect, impair, limit or compromise the rights of other Holders of Registrable Notes may be given by Holders of at least a majority in aggregate principal amount of the Registrable Notes being sold pursuant to such Registration Statement.

(f) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(h) **Governing Law.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(i) **Severability.** If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their best efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(j) **Notes Held by the Issuers or Their Affiliates.** Whenever the consent or approval of Holders of a specified percentage of Registrable Notes is required hereunder, Registrable Notes held by the Issuers or their affiliates (as such term is defined in Rule 405 under the Securities Act) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(k) **Third-Party Beneficiaries.** Holders of Registrable Notes and Participating Broker-Dealers are intended third-party beneficiaries of this Agreement, and this Agreement may be enforced by such Persons.

(l) **Entire Agreement.** This Agreement, together with the Purchase Agreement and the Indenture, is intended by the parties as a final and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein and therein and any and all prior oral or written agreements, representations, or warranties, contracts, understandings, correspondence, conversations and memoranda between the Holders on the one hand and the Issuers on the other, or between or among any agents, representatives, parents, subsidiaries, affiliates, predecessors in interest or successors in interest with respect to the subject matter hereof and thereof are merged herein and replaced hereby.

(m) **Jurisdiction.** Each Issuer agrees that any suit, action or proceeding against any Issuer brought by any Initial Purchaser, the directors, officers, employees and agents of any Initial Purchaser, or by any person who controls any Initial Purchaser, arising out of or based upon this Agreement or the transactions contemplated hereby may be instituted in the Supreme Court of the State of New York sitting in New York County and the United States District Court of the Southern District of New York, and any appellate court from any thereof, and waives any objection which it may now or hereafter have to the laying of venue of any such proceeding, and irrevocably submits to the non-exclusive jurisdiction of

such courts in any suit, action or proceeding. Each of the entities listed on Schedule II hereto hereby appoints CT Corporation System as its authorized agent (the "Authorized Agent") upon whom process may be served in any suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated herein that may be instituted in the Supreme Court of the State of New York sitting in New York County and the United States District Court of the Southern District of New York, and any appellate court from any thereof, by any Initial Purchaser, the directors, officers, employees, affiliates and agents of any Initial Purchaser, or by any person who controls any Initial Purchaser, and expressly accepts the non-exclusive jurisdiction of any such court in respect of any such suit, action or proceeding. The Notes Issuer hereby represents and warrants that the Authorized Agent has accepted such appointment and has agreed to act as said agent for service of process, and each of the entities listed on Schedule II hereto agrees to take any and all action, including the filing of any and all documents, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon each of the entities listed on Schedule II hereto. (iv) the definition of “Consolidated EBITDA” shall be amended by deleting the phrase “and for determining the Status of the Borrower” in the two places where it occurs therein.

(ix) the definition of “Status” shall be deleted in its entirety.

(c) Section 5.1(a) of the Credit Agreement shall be amended by adding the phrase “(or, in the case of LIBOR Loans, three Business Days)” immediately following the phrase “one Business Day” in subclause (a)(i) thereto.

(b) In the event that, on or prior to the first anniversary of the Amendment Effective Date, there shall become effective (A) any amendment, amendment and restatement or other modification of this Agreement which reduces the Applicable ABR Margin or Applicable LIBOR Margin with respect to the Tranche B-1 Term Loans or (B) any optional prepayment or refinancing of the Tranche B-1 Term Loans with proceeds of the substantially concurrent incurrence of new long-term Indebtedness having lower applicable rates than the Applicable ABR Margin or Applicable LIBOR Margin for the Tranche B-1 Term Loans then in effect (other than, in each case, (x) concurrently with, or within 90 days after, an Eligible IPO or (y) in connection with any Material Acquisition) each such amendment, amendment and restatement, modification, prepayment or refinancing pursuant to clause (A) or (B), as the case may be, shall be accompanied by a fee or prepayment premium, as applicable, equal to 1.0% of the principal amount of (i) the Tranche B-1 Term Loans outstanding on the effective date of such amendment with respect to which the Applicable ABR Margin or Applicable LIBOR Margin thereon has been reduced or (ii) the Tranche B-1 Term Loans that are so repaid or refinanced, as applicable; provided, that in determining the Applicable ABR Margin or Applicable LIBOR Margin applicable to the Tranche B-1 Term Loans and such Indebtedness, (x) original issue discount ("OID") or upfront fees (which shall be deemed to constitute like amounts of OID) payable by the Borrower to the Lenders of the Tranche B-1 Term Loans or such Indebtedness in the primary syndication thereof shall be included (with OID being equated to interest based on an assumed four-year life to maturity) and (y) any underwriting or arrangement fees payable to the arrangers or their Affiliates in connection with the Tranche B-1 Term Loans and such Indebtedness shall be excluded. For the avoidance of doubt, the requirements of this clause (b) shall not apply with respect to any amendment, amendment and restatement or other modification of this Agreement that requires or permits a transaction that results in a change in the Borrower's corporate credit rating from Moody's resulting in a decrease in the Applicable ABR Margin or the Applicable LIBOR Margin, but does not otherwise amend the Applicable ABR Margin or the Applicable LIBOR Margin with respect to the Tranche B-1 Term Loans.

(e) Section 9.1(d)(iii) shall be deleted in its entirety.

(f) Section 10.2(k) of the Credit Agreement shall be amended by deleting "(i)" in the first proviso thereto, by deleting the phrase ", and" immediately prior to clause (ii) of the first proviso thereto and by deleting clause (ii) of the first proviso thereto in its entirety.

**Intelsat Announces Successful Receipt of Requisite Consents  
Relating to Certain Notes of Intelsat Jackson Holdings S.A.**

***Luxembourg, October 3, 2012***

Intelsat S.A., the world's leading provider of satellite services, today announced that its subsidiary, Intelsat Jackson Holdings S.A. ("Intelsat Jackson"), has received the requisite consents to amend certain terms of the indenture governing its 11 1/4% Senior Notes due 2016 (the "Notes") in connection with its previously announced Tender Offer and Consent Solicitation (each as defined below). The amendments, among other things, amend the indenture governing the Notes to eliminate substantially all of the restrictive covenants, certain events of default and certain other provisions contained in that indenture.

As previously announced, on September 19, 2012, Intelsat Jackson commenced a tender offer to purchase for cash any and all of its outstanding \$603,220,000 aggregate principal amount of Notes (the "Tender Offer"). In connection with the Tender Offer, Intelsat Jackson also solicited the consent of the holders of the Notes to the amendments described above (the "Consent Solicitation").

The Tender Offer and Consent Solicitation are subject to the terms and conditions set forth in the Offer to Purchase and Consent Solicitation Statement, dated September 19, 2012, relating thereto (the "Offer to Purchase and Consent Solicitation Statement").

The withdrawal deadline relating to the Tender Offer occurred at 12:00 midnight, New York City time, on Tuesday, October 2, 2012 (the "Withdrawal Deadline"). Notes previously tendered and Notes that are tendered after the Withdrawal Deadline may not be withdrawn, except as required by law. The Tender Offer is scheduled to expire at 12:00 midnight, New York City time, on Wednesday, October 17, 2012, unless extended or earlier terminated by Intelsat Jackson (the "Expiration Time").

As of 12:00 midnight, New York City time, on October 2, 2012 (the "Consent Time"), Intelsat Jackson has been advised by Global Bondholder Services Corporation, as Depositary for the Tender Offer and Consent Solicitation, that Notes were validly tendered and not withdrawn, and consents were delivered and not revoked, in

respect of \$442,302,000 in aggregate principal amount, or approximately 73.32%, of the outstanding \$603,220,000 aggregate principal amount of Notes. As a result, the requisite consent of noteholders was obtained, and Intelsat Jackson and Wells Fargo Bank, National Association, as trustee under the indenture governing the Notes, entered into a supplemental indenture implementing the amendments to the indenture governing the Notes.

Subject to the terms and conditions set forth in the Offer to Purchase and Consent Solicitation Statement, Intelsat Jackson will accept for purchase all Notes tendered and not withdrawn prior to the Withdrawal Deadline and intends to accept for purchase all Notes tendered after Withdrawal Deadline and prior to the Expiration Time.

Intelsat Jackson has retained Morgan Stanley & Co. LLC and Credit Suisse Securities (USA) LLC to act as the joint dealer managers and joint solicitation agents (together, the “Dealer Managers”) for the Tender Offer and Consent Solicitation. Global Bondholder Services Corporation is acting as the Information Agent and the Depositary for the Tender Offer and Consent Solicitation. Questions regarding the Tender Offer or Consent Solicitation should be directed to Morgan Stanley & Co. LLC at 1 (800) 624-1808 (toll-free) or 1 (212) 761-1057 (collect) or Credit Suisse Securities (USA) LLC at 1 (800) 820-1653 (toll-free) or 1 (212) 538-7249 (collect). Requests for documentation should be directed to Global Bondholder Services Corporation at 1 (866) 470-3900 (toll-free) or 1 (212) 430-3774 (collect).

This announcement is for informational purposes only. This announcement is not an offer to purchase or a solicitation of an offer to purchase with respect to any Notes. The Tender Offer and Consent Solicitation are being made solely pursuant to the Offer to Purchase and Consent Solicitation Statement and related documents. The Tender Offer and Consent Solicitation are not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In any jurisdiction in which the securities laws or blue sky laws require the Tender Offer and Consent Solicitation to be made by a licensed broker or dealer, the Tender Offer and Consent Solicitation will be deemed to be made on behalf of Intelsat Jackson by the Dealer Managers, or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.
